Principal's Desk

Greetings to all of you!

Standing true to the motto of our school 'Every child, every day, a leader', JAV has been constantly finding avenues and ways through which we can make children in our charge 'Better Every day'.

We believe that every student should be able to adapt to the global scenario that they would be a part of – the scenario that is in a constant state of flux – the scenario where change is the only constant. We need to train the wards in our charge to be steadfast in an ever changing environment, using their skill, their core competence and thinking out of the box to make sure their success is not a probability but a certainty.

Through various activities and programs, we will focus on building better children for the VUCA world which they will inhabit. This can be done by making them future-ready through skills which are participative, collaborative and innovative. This cannot be dispensed only within classroom walls through text books and tests, but gained and assimilated from experiential learning and living by embracing the 'intangibles' which will prepare them to face and welcome change.

We, at JAV believe that instead of creating a better world for our children, why don't we focus on building better children for the VUCA world which they will inhabit. This can be done by making them future-ready through skills which are participative, collaborative and innovative.

Principal's Desk

This cannot be dispensed only within classroom walls through text books and tests, but gained and assimilated from experiential learning and living (which these students are experiencing in some way as of now when they try to learn using virtual platforms), by embracing the 'intangibles' which will prepare them to face and welcome change.

Let's join hands for better nurturing of our children!

"Better Everyday"

With Regards,

Prashant Muley

Wishing you a very happy new year 2024

Theme

Embarking on the journey of success, our Annual Day, centered around the theme 'Samruddha Bharat,' was a resounding triumph. The December newsletter echoes the vibrant spirit of achievement that permeated the event. From cultural extravaganzas to insightful speeches, each aspect radiated the essence of a flourishing India. The newsletter delves into the captivating performances, heartfelt expressions, and the tireless efforts of our students and staff that contributed to the event's grandeur. As we reflect on the Annual Day's success, the theme 'Samruddha Bharat' resounds, symbolizing not just prosperity but a collective vision for a thriving nation. Join us in reliving the moments that made the Annual Day a spectacular chapter in our school's history,encapsulating the spirit of Samruddha Bharat in every applause and achievement."

Annual Day

JAV's Annual Day, held on 21st December 2023, unfolded with the theme "Samruddha Bharat," a celebration of prosperity and unity. The distinguished guests, Mr. Murugan P.K Sir, President of Vijayanagar & Salem Steelworks, and Mr. Srinivasan P, EVP (HR, PR & Security) at JSW Steel Ltd, graced the occasion. The evening commenced with a warm welcome, the ceremonial lighting of the lamp, and an insightful Annual Report presentation. Toppers were acknowledged, and the guests were felicitated by school leaders. Mr Murugan Sir applauded the theme and praised students for their impressive communication skills, reminiscing about the previous year's annual day.

The cultural extravaganza that followed showcased vibrant music, dance, and skit performances. Mr Srinivasan Sir expressed his admiration for the students' talents, extending congratulations to the school leaders, dedicated staff, and supportive parents for their collective efforts. The grand finale marked the culmination of a spectacular event, leaving a lasting impression of unity and prosperity—a true embodiment of "Samruddha Bharat."

Plant Head visit to JAV

On the auspicious day of 29th December 2023, JAV School had the privilege of welcoming distinguished guests from JSW. The esteemed visitors were Mr Murugan P.K Sir, President of Vijayanagar & Salem Steelworks, and Mr Srinivasan P, EVP (HR, PR & Security) at JSW Steel Ltd. Their visit was to commemorate the resounding success of the Annual Day, themed "Samruddha Bharat."

Addressing the gathering, Mr Murugan Sir expressed appreciation for the exceptional efforts of school leaders, staff, students, and parents in orchestrating a memorable Annual Day celebration. He applauded the theme of "Samruddha Bharat" and praised the students for their impressive communication skills.

Mr Srinivasan Sir also conveyed his appreciation, acknowledging the collective efforts that made the event a grand success. Both the dignitaries presented a token of appreciation in the form of a certificate and a smartwatch to the dedicated staff members. The celebration concluded with delightful refreshments and a memorable photo session, capturing the camaraderie and success shared by the entire JAV School community.

This was the first time in the history of JAV that Plant head visited the school to appreciate a very impactful and innovative Annual Day function.

Appreciation Certificate

JSW
Better Everyday

Dear *Mr Prashanth Muley*

I am writing to express my sincere gratitude and admiration for organising the exceptional Annual Day function of Jindal Adarsh Vidhyalaya (JAV).

*I want to begin with a thumping appreciation for each one of you at JAV for not only putting up an impressive show but also commendably showcasing the glory of our nation, seamlessly hinged on the apt theme: "**Samruddha Bharat - A voyage through the rich cultural heritage"** The choice of the theme was not only timely but also resonated deeply with the current context of India's global upsurge as a Vishwaguru, synonymous with harmony and honour. It was heartening to witness the fine and futuristic portrayal of Bharat, creating a picture-perfect appreciation among the audience.*

The evening was a testament to the meticulous planning, dedication & incomprehensible efforts put in by the entire JAV team. The careful preparation & guidance provided by the teachers and staff were reflected in the flawless and fearless performances of the students on stage. The performances by the young and talented students were nothing short of spectacular.

*As it's rightly attributed, **"If you can read this, thank your teacher. A tenacious teacher affects eternity; one can never tell where their influence stops."** The power of the dedicated teachers at JAV was tangible in the confidence and grace with which the students carried themselves on stage.*

The annual day function not only entertained but also met the aspirations of parents who had the privilege of witnessing their young and tender children perform flawlessly amid a huge gathering. The pride and joy in our hearts were immeasurable as we saw our children demonstrating our nation's cultural heritage.

Once again, I extend my heartfelt gratitude to the JAV family for making the Annual Day celebration a memorable and enriching experience. I am confident that the values instilled in our children at JAV will guide them towards a bright and harmonious future.

Once again, thank you for your commitment to excellence in education and for nurturing the talents of our young ones.

With warm regards,

P. K. Murugan

Birthday Celebration

November and December witnessed joyous birthday celebrations for our pre-primary students at JAV. The little ones were filled with excitement as they gathered to commemorate their special days. The classrooms echoed with laughter and cheerful melodies as teachers and fellow students showered the birthday stars with warm wishes and love. Colourful decorations and shared moments of happiness created a memorable atmosphere. These celebrations not only marked the passage of another delightful year for the children but also reinforced the sense of community and camaraderie within our pre-primary family. Happy Birthday to all our November and December celebrants!

Special Assembly

Special Assembly of 7/B
Date: 7/12/23
Topic: Armed Forces Flag Day

Flag of Armed Forces: A horizontal tricolour of red, navy blue, and sky blue with the tri-service emblem at the centre.

Significance of the Armed Forces Flag: To honour the martyrs and the men in uniform who valiantly fought and continue to fight on our borders to safeguard the country's honour.

On this day, we remember the services rendered by personnel of the Army, Navy, and Air Force. It is the collective duty of every citizen of our country to ensure the rehabilitation and welfare of the dependents of our brave martyrs and disabled personnel. The Flag Day allows us to contribute most generously to the Armed Forces Flag Day Fund.

Human Rights Day

International Human Rights Celebration 2023
The theme for 2023 is: “Consolidating and Sustaining Human Rights Culture into the Future.”

Human Rights Day is celebrated annually worldwide on December 10th. The date was chosen tohonourr the United Nations General Assembly's adoption and proclamation on December 10th, 1948.

Human rights are inherent to all human beings, regardless of race, sex, nationality, ethnicity, language, religion, or any other status. They include the right to life and liberty, freedom from slavery and torture, freedom of opinion and expression, the right to work and education, and many more.
7F students prepared placards and flashcards to convey awareness messages on Human Rights Day. They also performed a skit on the topic of Human Rights. Everyone wore a badge as a universal symbol of Human Rights

Special Assembly

Special assembly for Grade 4/F section
Class teacher: Sanjota Kulkarni

Today, a special assembly was conducted on Universal Health Coverage Day 2023. The theme for 2023 is “HEALTH FOR ALL. TIME FOR ACTION.”
The program started with a prayer, followed by a thought and a fact.
Importance of Universal Health Coverage Day: Universal Health Coverage Day, commemorated each December 12, marks the anniversary of the first unanimous United Nations resolution calling for countries to provide affordable, quality health care to every person, everywhere. Universal health coverage (UHC) ensures that all people have access to the full range of quality health services they need, when and where they need them, without financial hardship.

Program Highlights:

1. Skit: Children portrayed awareness of Healthy Food and Unhealthy food through a skit.
2. Dance: Healthy children performed a dance. Girls demonstrated exercises in the form of dance, and boys engaged in slow-motion games.
3. Song: Children sang a song about healthy food with different actions.

Certificates for participation in the Sustainable Development Goals Exhibition were distributed to Grades 4 and 5 participants by our respected Headmistress, Mrs. Bhagyavathi Madam, who also addressed the gathering.

Kanakadasa Jayanti Celebration

Kanakadasa Jayanti was joyously celebrated at JAV School, Toranagallu. During the celebration, students recited Vachanas written by Kanakadasa in Kannada language. Mr. Prashant Muley, the Principal of the school, addressed the gathering, emphasizing the need to adopt and follow Kanakadasa's spiritual thoughts and scientific ideas in our lives.

Special Assembly

Special Assembly on World Soil Day

Grade: 5

Date: 5th December 2023

World Soil Day is commemorated annually to raise awareness about the importance of maintaining soil quality and its vital role in our lives and food systems.

Enhancing soil quality is a crucial step towards achieving the Sustainable Development Goals (SDGs), particularly SDG 2 (Zero Hunger), SDG 13 (Climate Action), and SDG 15 (Life on Land).

On December 5, Grade 4 & 5 students witnessed a special assembly conducted by 5E students. The assembly commenced with the regular prayer, followed by a Thought and Fact session. Mistress Lathika presented the Thought, and Master Shivraj Prasad shared a fact. Mistress Vaibhavi, the assembly anchor, then led the students through the pledge and a drama skit, concluding the session with the national anthem.

This initiative helped students comprehend the significance of soil and the repercussions of soil depletion.

I can always learn new things and think new thoughts".

To foster a positive classroom environment, students learned to set the agenda, criteria and set the tone for the day. Detailed instructions for each activity were provided to them. They enjoyed sitting in clusters and engaged in hands-on learning activities to comprehend stroke patterns and numbers.

Practical implementation and extending their learning brought joy. Singing rhymes rhythmically using manipulatives added to their enjoyment. The fantastic learning and fun games supported preschoolers in developing cognitive, fine motor skills, gross motor skills, social, emotional, and communication skills.

STUDENTS EXPLORE DIFFERENT ANGLES THROUGH FUN ACTIVITY

Mathematics and art intersect in various ways. In class, students from Grade V delighted in the artistic representations of angles they created. Engaging in the 'Creating Art with Angles' activity, young learners crafted angles using simple materials such as ice-cream sticks, origami sheets, and matchsticks. They designed unique patterns, reinforcing their understanding of different types of angles. Artistic learners embraced the hands-on opportunity, expressing creativity through colourful and attractive angle designs.

Simultaneously, they revisited and solidified their knowledge of various angle types. The young artisans enjoyed measuring and identifying angles in a new and engaging manner.

Mathematics Hands-On Activity

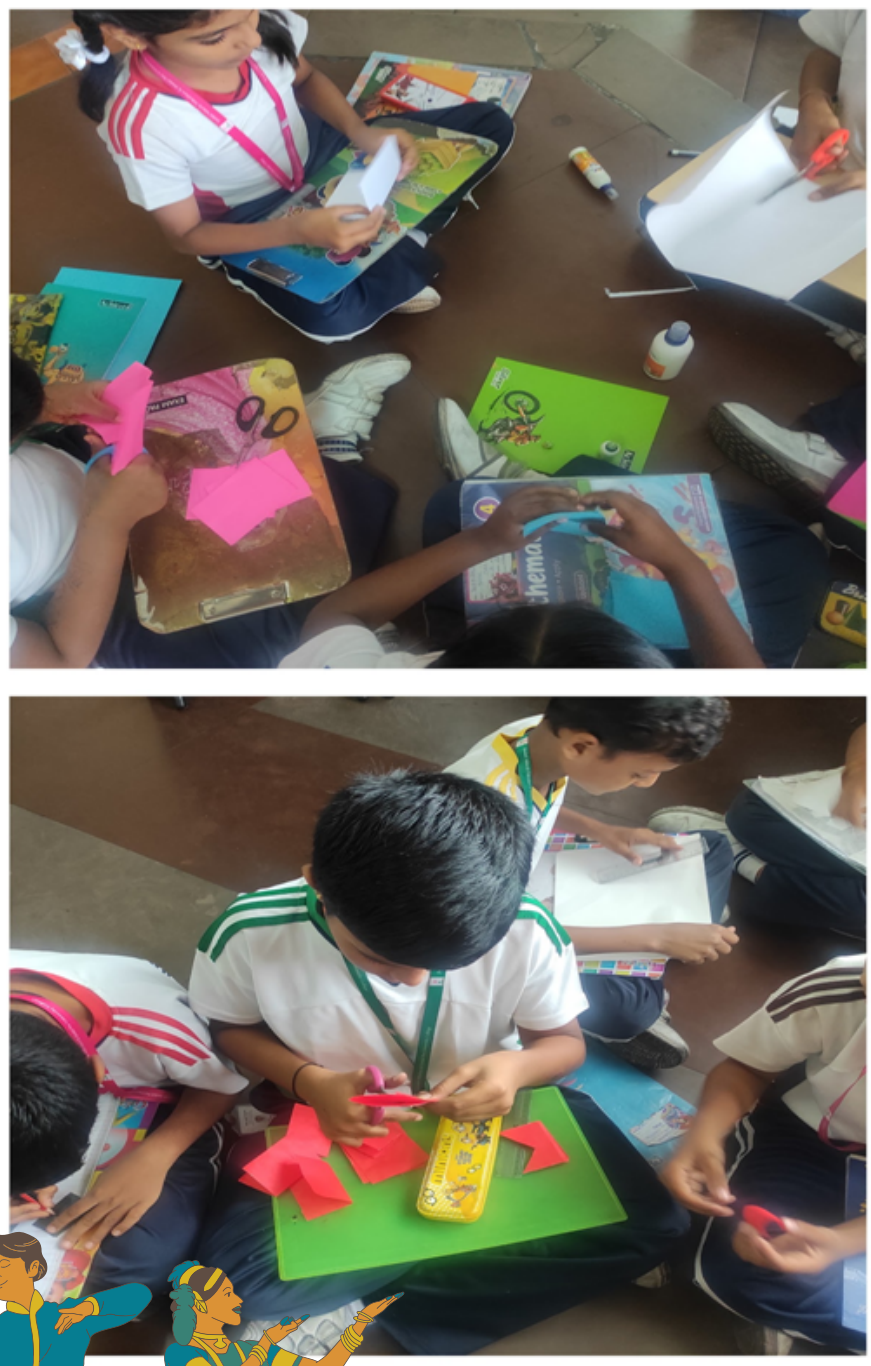

Topic: Line of Symmetry

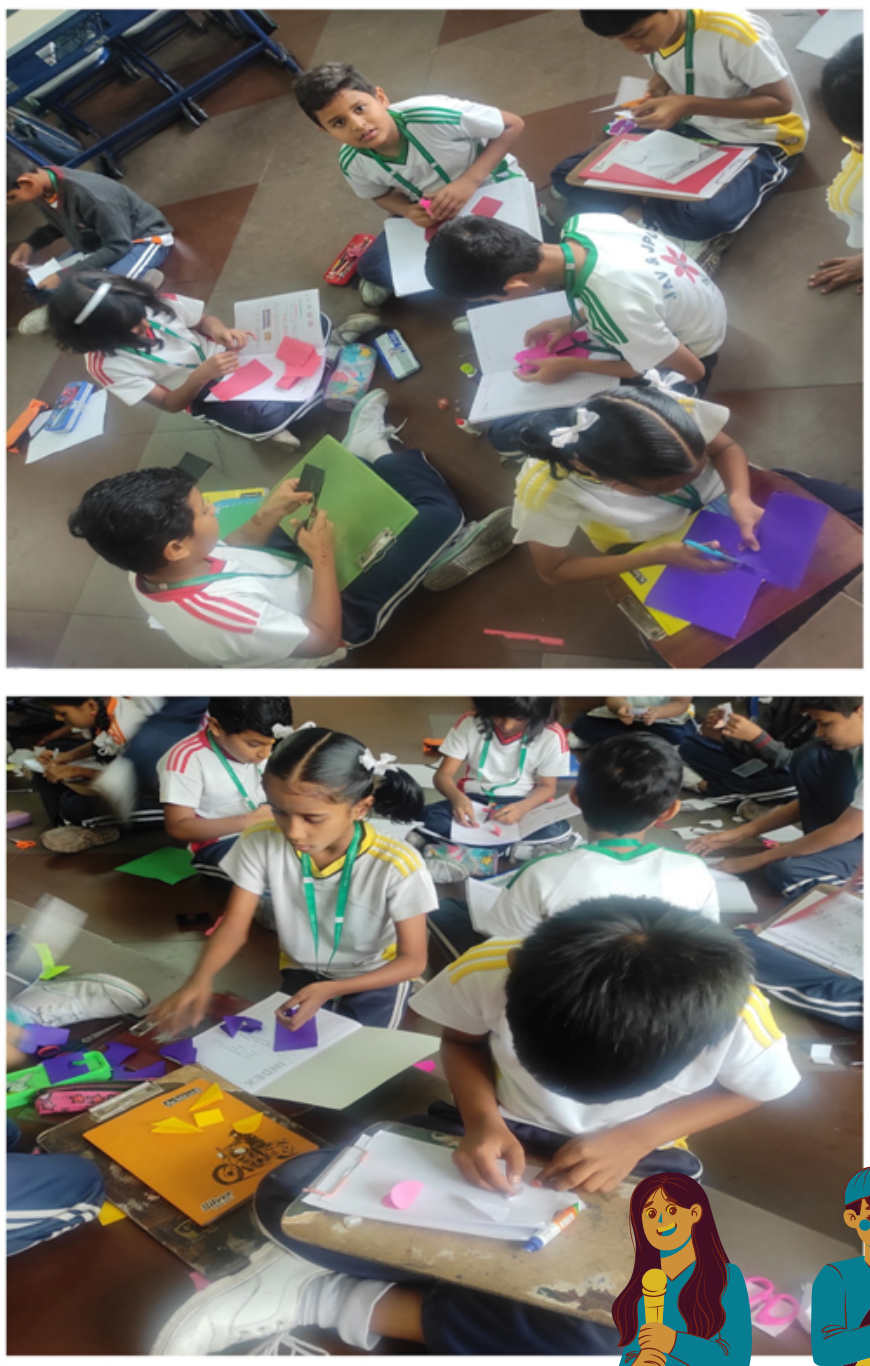

Class: 4C

Symmetry, a geometry concept, involves understanding that a shape or object can possess a line of symmetry. This line divides the object into two identical halves when folded. In our exploration of symmetry, I employed various strategies through hands-on activities in the classroom.

Folding Shapes: Before the activity, students cut different shapes from colored chart paper, such as squares, triangles, and rectangles.

I initiated the activity by demonstrating how folding a square in half resulted in two perfectly matching halves.

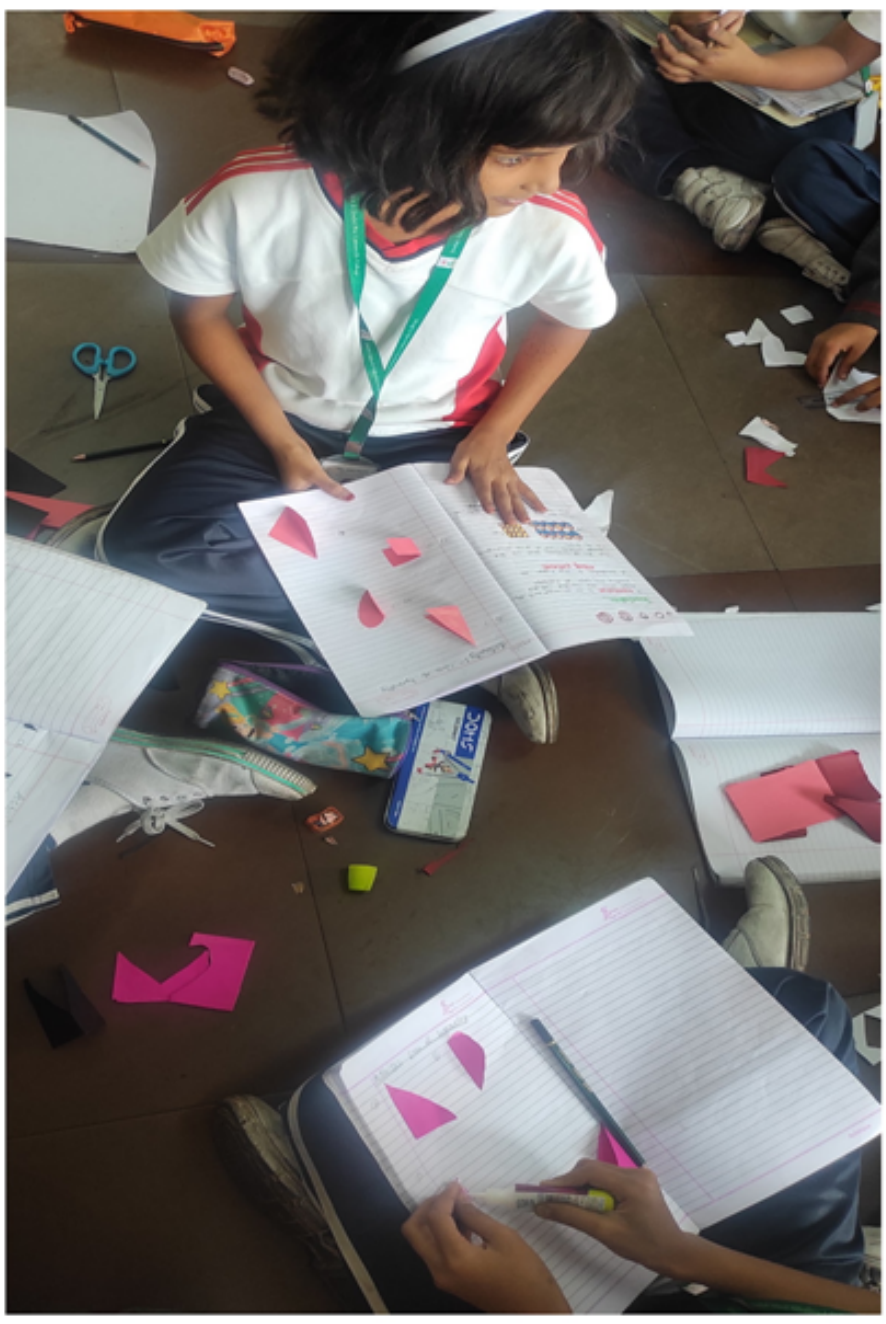

Class room Activity

Cutting Shapes

To begin, we folded small, colorful squares in half. Next, each student freely cut out any shape of their choice, ensuring to preserve part of the fold line.

Upon opening the shape, the students observed how the two halves perfectly matched, and the fold line became the line of symmetry. After cutting out several shapes, we glued the pieces onto a classwork sheet to craft a vibrant collage.

Pleasure of Reading

Students of 8/D & 8/E have borrowed English books from the school library and are enthusiastic about reading. They are encouraged to read the biography of Satyajit Ray (following the chapter: Bepin Choudhary's Lapse of Memory), Rabindranath Tagore, and the life histories of other notable individuals based on their preferences. This initiative aims to inspire students through reading these biographies and cultivate a habit of reading.

- Microlearning aids teachers in enhancing their teaching skills, including lesson planning, classroom management, and effective communication. In our EVS department, Mrs. Shilpabai focused on the 'skill of questioning' with the topic: Birds We See.
- She initiated the session with an interesting energizer related to the topic.
- Introduced the topic through knowledge-based questions.
- Explained the lesson by posing thought-provoking questions and eliciting answers from the teachers.
- It was an excellent session, enabling teachers to integrate questioning skills into their teaching methods.

Profession: Officer in the Indian Army.

I would like to express sincere gratitude towards my school, which taught me valuable things and the importance of discipline in my life. My school also holds the credit for my success, helping me understand how studies and sports are both important in a student's life.

I am thankful to all my teachers for always supporting me and teaching me important values of life, being a part of my journey. I am very happy to be a part of this great institution where they taught me to dream and believe in them.

Even though I was at JAV from LKG to 3rd std, which was a quite short time, it's true that if the foundation and pillars of any building are strong, then that building will never collapse, and that foundation was given by JAV.

Again, I would like to give a very big thanks to our teachers for always supporting me and making me what I am today.
