PRINCIPAL'S DESK

Greetings to all of you!

Standing true to the motto of our school ‘Every child, every day, a leader’, JAV has been constantly finding avenues and ways through which we can make children in our charge ‘Better Every day’.

We believe that every student should be able to adapt to the global scenario that they would be a part of – the scenario that is in a constant state of flux – the scenario where change is the only constant. We need to train the wards in our charge to be steadfast in an ever changing environment, using their skill, their core competence and thinking out of the box to make sure their success is not a probability but a certainty.

Through various activities and programs, we will focus on building better children for the VUCA world which they will inhabit. This can be done by making them future-ready through skills which are participative, collaborative and innovative. This cannot be dispensed only within classroom walls through text books and tests, but gained and assimilated from experiential learning and living by embracing the ‘intangibles’ which will prepare them to face and welcome change.

We, at JAV believe that instead of creating a better world for our children, why don’t we focus on building better children for the VUCA world which they will inhabit. This can be done by making them future-ready through skills which are participative, collaborative and innovative.

PRINCIPAL'S DESK

This cannot be dispensed only within classroom walls through text books and tests, but gained and assimilated from experiential learning and living (which these students are experiencing in some way as of now when they try to learn using virtual platforms), by embracing the ‘intangibles’ which will prepare them to face and welcome change.

Let’s join hands for better nurturing of our children!

“Better Everyday”

With Regards,

Prashant Muley

Principal

JAV & JPUC

Theme

Our June month newsletter centered on the theme 'Health is Wealth.' We celebrated Yoga and Music Day together, highlighting their profound impact on maintaining peace of mind and a healthy body. The event emphasized yoga's role in promoting physical and mental well-being, complemented by music's contribution to relaxation and stress relief. Students and staff enthusiastically participated in yoga sessions and musical performances, fostering unity and holistic wellness in our community.

Through this celebration, we emphasized the importance of integrating these practices into daily life for overall health and happiness. Moving forward, we are committed to promoting these values among our students and beyond, encouraging a healthier lifestyle for everyone involved. The event served as a reminder of the benefits of mindfulness and cultural enrichment, reinforcing our school's dedication to nurturing both the body and mind.

We are excited to continue exploring new ways to prioritize wellness and cultivate a supportive environment where everyone can thrive.

First day of school for Nursery and LKG

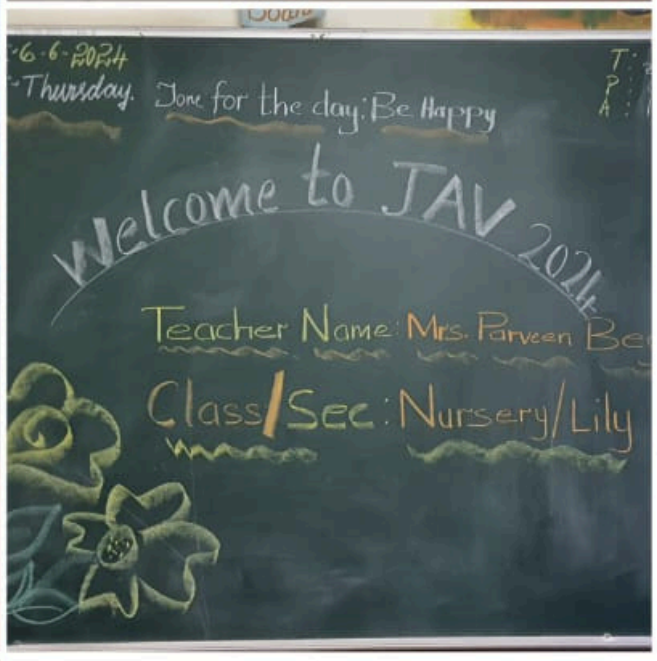

First Day of Nursery

"Little minds are ready to grow big dreams".

Students were greeted with a cheerful smile.The day provided the first opportunity for children to interact with the teachers and peers.The students were overwhelmed near the selfie point and enjoyed the specific classroom activities.Overall,the first day of Nursery and LKG was a significant milestone that influenced the child's emotional,social and academic development.

National Level Elocution Competition

The Virtual Elocution Competition "Safeguard Your Digital Voyage: Digital Security & Institutional Responsibility"

Introduction

JAV School cordially invited all AFS India Member Schools to participate in the virtual Elocution Competition titled "Safeguard Your Digital Voyage: Digital Security & Institutional Responsibility," focused on Sustainable Development Goal 16 - Peace, Justice, and Strong Institutions. The event was scheduled for June 2024.

Preliminary Round

The preliminary round took place on 25th June 2024. A total of 94 students participated, with 2 participants from each of the 47 schools. The participants were divided into three cohorts: A, B, and C. From each cohort, the best 4 participants were selected, resulting in a total of 12 students advancing to the final round.

Final Round

The final round was conducted on 1st July 2024, featuring the 12 selected participants. The theme for the final round was "Action Points: Digital Security and Institutional Responsibility." All participants demonstrated exceptional skills and delivered outstanding performances.

Results and Acknowledgements

The results of the final round will be declared on 3rd July 2024. All participants will receive E-Certificates, with special recognition given to the 3 winners. The judges, AFS School Members, and JET Head praised the efforts put in by JAV School. Special appreciation was extended to the Principal for his initiative and collaboration with the Headmistress in organizing the event.

Conclusion

The elocution competition successfully highlighted the importance of digital security and institutional responsibility, aligning with the goals of Sustainable Development Goal 16. The event not only provided a platform for students to showcase their oratory skills but also emphasized the significance of peace, justice, and strong institutions in the digital age.

Parent Orientation

Parent Orientation for Pre-Primary

"The goal of early childhood education should be to activate the child's own natural desire to learn".

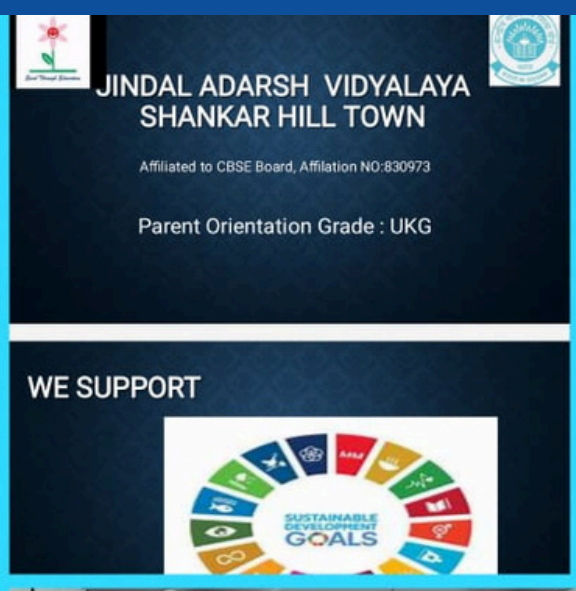

The Parent Orientation for Pre-Primary was conducted on June 22nd, 24th, and 25th, 2024. The orientation aimed to acquaint parents with the school's curriculum, policies, and the various activities planned for the academic year 2024-25. Teachers emphasized the importance of early childhood education and the crucial role of parents in their child's educational journey.

During the orientation, teachers delivered an insightful presentation covering the curriculum overview, daily schedule, food chart, planned celebrations, initiatives like "safai bank," and assessment methods. The event was highly successful, fostering enthusiasm among parents to actively engage in and support their child's educational development.

Parent Orientation

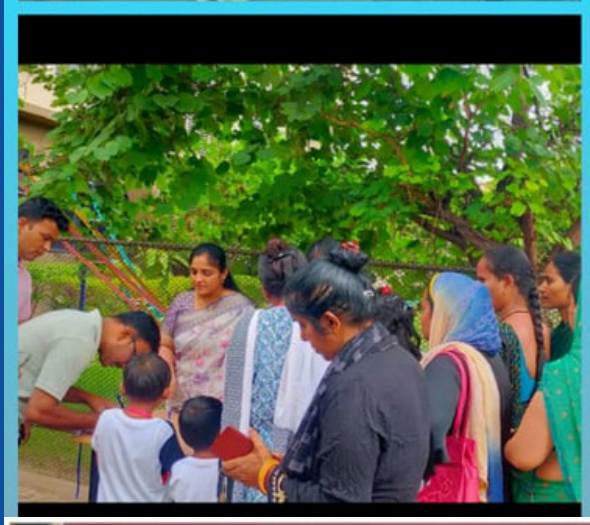

Parent Orientation

First Parent Orientation - 25/6/2024

The first parent orientation, held on 25/6/2024, was attended by the Principal, Class Coordinator, and all class teachers. Teachers provided comprehensive information about academics, school policies, and disciplinary rules. During the interactive session, parents had the opportunity to raise queries, which were addressed by the teachers, ensuring clarity and understanding. The orientation aimed to foster a collaborative partnership between parents and the school community, enhancing support for students' educational journey.

Parent Orientation

Parent Orientation

On June 20, 2024, a Parent Orientation was held in the auditorium from 3:00 PM to 4:15 PM. Nearly 97 parents attended the orientation. The Coordinator and Class Teachers explained various topics, including the SDGs, excursion plans, field trips, fee structure, disciplinary rules, and academic content. This session aimed to keep parents informed and engaged in their children's education and school activities. We appreciate the active participation of the parents and their interest in our school's programs.

Regards, Rekha R. K. Shinde

Parent Orientation

Jindal Adarsh Vidyalaya successfully conducted the parent orientation of grade X on 24/6/24 at 3 pm. The respected principal addressed the parents and explained the strategies of teaching and learning, scaffolding classes and CBSE board exam question paper pattern. The class coordinator and the team of teachers spoke about the academic content, disciplinary rules, and time management.
The parents asked the queries and clarified their doubts.

Regards
Indu V
Class coordinator (Grade X)

Parent orientation

Parent Orientation for Grade 2 - June 29th, 2024

"The combined efforts of parents and teachers are the magic that allows children to learn and grow." - Lettie J. Burke

On June 29th, 2024, we conducted a successful parent orientation for Grade 2 parents. The session commenced with a calming yoga meditation, setting a serene tone. Our dedicated teachers then introduced themselves, followed by an informative presentation. This presentation provided parents with a comprehensive overview, covering aspects such as the upcoming fee structure, disciplinary measures, exam schedule, and exciting activities planned for the academic year.

Parents actively participated by asking questions, promoting open communication and collaboration. The session concluded with a warm vote of thanks, fostering a positive start to a productive and engaging school year.

Parent Orientation

In June, we conducted a Parent Orientation for Nursery to Grade XII to guide parents through our school's academic process. Parents across all grades attended and actively participated, providing valuable feedback to their respective class coordinators and teachers. This event aimed to enhance the collaboration between parents and the school, ensuring a supportive and informed community focused on student success. We appreciate the parents' engagement and constructive insights, which will help us continually improve our educational environment.

Special Assembly

Our students experienced their first assembly in school, which helped them to develop a sense of community belonging and confidence. They learned to listen attentively and enhanced their social skills

Special Assembly

Wishing for a future where the ocean is free from pollution and teeming with life.

We call Earth the "Blue Planet" because the ocean covers about 71 percent of it!

World Oceans Day provided an exciting opportunity for Grade 5C children to explore the wonders of our oceans. These vast bodies of water—the Pacific, Atlantic, Southern, Arctic, and Indian Oceans—each have unique features, supporting diverse marine ecosystems teeming with unique species. Exploring these oceans enhances our understanding of Earth's geography and fosters a deep appreciation for their incredible biodiversity and ecological importance.

During the event, students performed a traditional dance wearing vibrant costumes and enacted a small skit that emphasized the significance of World Oceans Day.

Contributions:

- Thought: Punith Kumar
- Fact: Laasya
- Speech: Sughosh
- Poems: Akshatha, Ashok, Prakurthi
- Skit: Siddashreyash, Anvita, Amith Kumar, Meghana, Vishwanatha, Sannidhi
- Dance: Rakshitha, Chaitra, Harshitha, Diya Y Shetty, Neha Kumari, Sanjay, Siddarth, Mallikbasha

Thanks & regards

Special Assembly

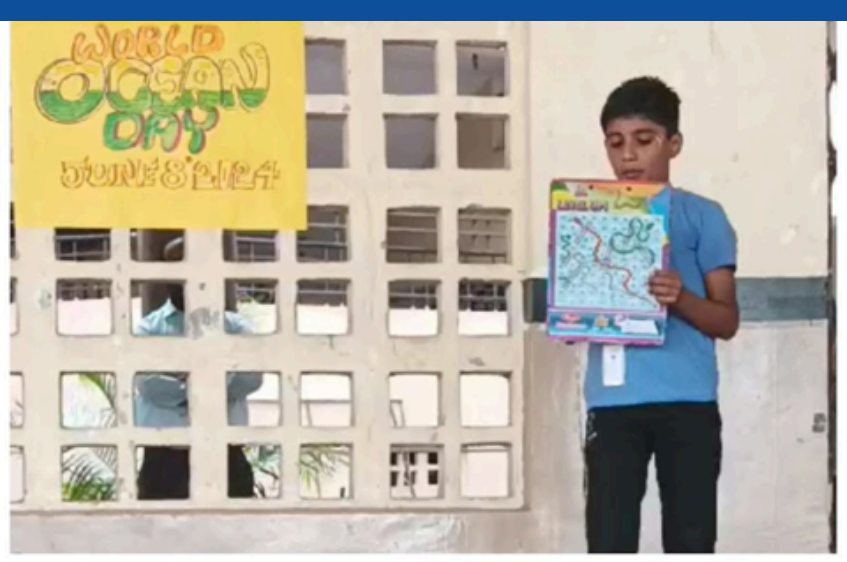

Special assembly on Yoga and Music Day for Pre-Primary

Special Assembly

Report
Conducted by: EVS Faculty
Date: 13/06/24
Theme: "OUR LAND OUR FUTURE"

Opening and School Prayer: Mistress Aishwarya began the assembly with the school prayer, setting a serene and focused tone for the event.
Welcome Address:Mrs. Shilpa Bai warmly welcomed everyone, highlighting the significance of Environment Day and encouraging students to participate actively.
Fact of the Day:Mrs. Supriya shared an intriguing fact about the environment, enlightening students on crucial aspects of environmental conservation.
Thought of the Day: Mrs. Ratna Bai presented an inspiring thought of the day, motivating students to think about their role in protecting the environment
Speech on Environment Day: Mrs. Parvathi delivered an insightful speech on Environment Day, ensuring students gained comprehensive knowledge about the topic and its global importance.
Poem Recitation: Mrs. Subhashini captivated the audience with a melodious recitation of an environment-themed poem, touching the hearts of all present.
Quiz on Environment Day:
Mrs. Eramma conducted an engaging quiz on Environment Day, testing the students' knowledge and making learning fun and interactive.
Dance Skit:
Grade 5 students performed an excellent dance skit under the guidance of Mrs. Ranjana Patil. The performance vividly portrayed the message of environmental conservation and was well-received by everyone.
Conclusion:
The assembly concluded with a heartfelt speech by the Headmistress, emphasizing the importance of taking concrete actions to protect our environment. The event ended on a patriotic note with the National Anthem.

Special Assembly

Regards
Mrs. Kavitha M
EVS CoHOD

Special Assembly

An assembly was conducted for the UKG students to promote awareness of proper etiquette and behavior, aimed at developing their social and emotional skills. The session focused on fostering positive interactions and manners, essential for their personal growth and interactions within the school community. Through this initiative, students were encouraged to cultivate empathy, respect, and cooperation, laying a foundation for their future social development.

World Environment Day

Topic: World Environment Day

Theme: Land Restoration, Desertification, and Drought Resilience

World Environment Day, centered around the theme of land restoration, desertification, and drought resilience, was celebrated on June 13, 2024, by the Science Department. This day serves as a reminder of our collective responsibility to protect and preserve nature for future generations. The event emphasized the crucial role of sustainable practices in combating environmental degradation. As part of the celebrations, the slogan "Keep nature stay, keep life stay" resonated with the participants, highlighting the importance of maintaining ecological balance. The Science Department's initiative aimed to inspire action and awareness among students and staff towards environmental conservation.

Thanks and Regards,

CCA

World Environment Day

Environmental Day and Green Day were celebrated on June 7, 2024. Children participated in activities such as sowing seeds to promote environmental awareness and conservation. This hands-on experience helped them grasp the significance of trees and plants in maintaining a healthy environment, encouraging them to become proactive environmental stewards. The children dressed in green attire and engaged in a plantation activity, learning firsthand about environmental importance. They also displayed green-colored objects, enhancing their color recognition skills as part of the educational activities.

Father's Day Celebration

Father's Day was celebrated on June 15, 2024, aiming to build bonds and create a lasting impact. It is a special occasion dedicated to honoring fathers and celebrating their invaluable contributions to their families and society. This day provides an opportunity for children and families to express their love, gratitude, and appreciation for their fathers. Celebrating Father's Day underscores the importance of the father-child relationship, fostering a sense of worth and confidence in children.

"Father doesn't tell you that he loves you, he shows you."

International Yoga Day

It was a great opportunity for the Grade 8 Coordinator, Class Teachers, and Students to participate in International Yoga Day. A total of 238 Grade 8 students attended and witnessed the program at Vidyanagar. We would like to express our gratitude to our beloved Principal Sir and HM Madam for giving us this wonderful opportunity. The event was a remarkable experience that promoted the importance of yoga and wellness among students, teachers, and the entire school community. Their support and encouragement made this event a memorable and enriching experience for everyone involved.

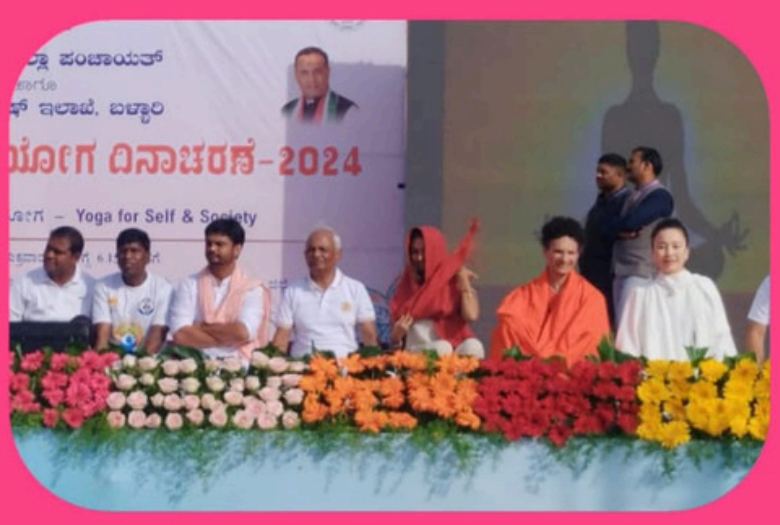

International Yoga Day

International Yoga Day

International Yoga Day

Grade 9 Students and Teachers Witness International Yoga Day.

Grade 9 students and teachers attended the celebration of International Yoga Day organized by the Government of Karnataka in collaboration with Z.P. Bellary at Vidyanagar. The event featured various yoga demonstrations and sessions aimed at promoting physical and mental well-being among participants. It provided an enriching experience, emphasizing the importance of yoga in maintaining a healthy lifestyle. Students and teachers actively participated, showcasing their enthusiasm for yoga and its holistic benefits.

Scouts and Guides
Basic Course

Scouts and Guides Basic Course

From June 10, 2024, to June 16, 2024, the Scouts and Guides Basic Course for Government teachers was held at Dr. Babu Jagjeevan Ram Bhavan, District Stadium Road, Ballari District. Several Scout Masters and Guide Captains attended as resource persons, contributing significantly to the success of the course.

During the course, the BSG State Chief Commissioner visited and appreciated the efforts and dedication of all involved. Special thanks are extended to our School Principal, Mr. Prashant Muley, and Headmistress, Mrs. Bhagyavati G., for their unwavering support and guidance.

The following teachers served as resource persons for the Scouts and Guides Basic Course:

Ravi M (Scout Master)
Shreedhar M (Scout Master)
Padmavati P.B (Guide Captain)

Their expertise and commitment were instrumental in the success of the program.

Sports

A 100-metre running race for Class 7th students was held on 15th June 2024. The event showcased the athletic talents of the students, promoting sportsmanship and physical fitness among the participants.

Event Details:

Date: June 15, 2024

Participants: Class 7th Boys and Girls

Event Details: 100 mtr Sprint

Boys' Results:

Samar Prathap Sing(7th G Sect

Position: 1st Place

Rithu Raj(7th E Section)

Position: 2nd Place

Unmesh (7th F Section)

Aryan (7th I Section)

Position: 3rd Place

Girls Result :

Priya V (7th G Section)

Position: 1st Place

Ishita Sachan(7th G Section)

Position: 2nd Place

Hameeda Shahin (7th FSection)

Position: 3rd Place

Summary: The 100-Metre Running Race was a highly competitive and spirited event. Both boys and girls from Class 9th exhibited remarkable athleticism and sportsmanship. The race showcased their dedication and enthusiasm.

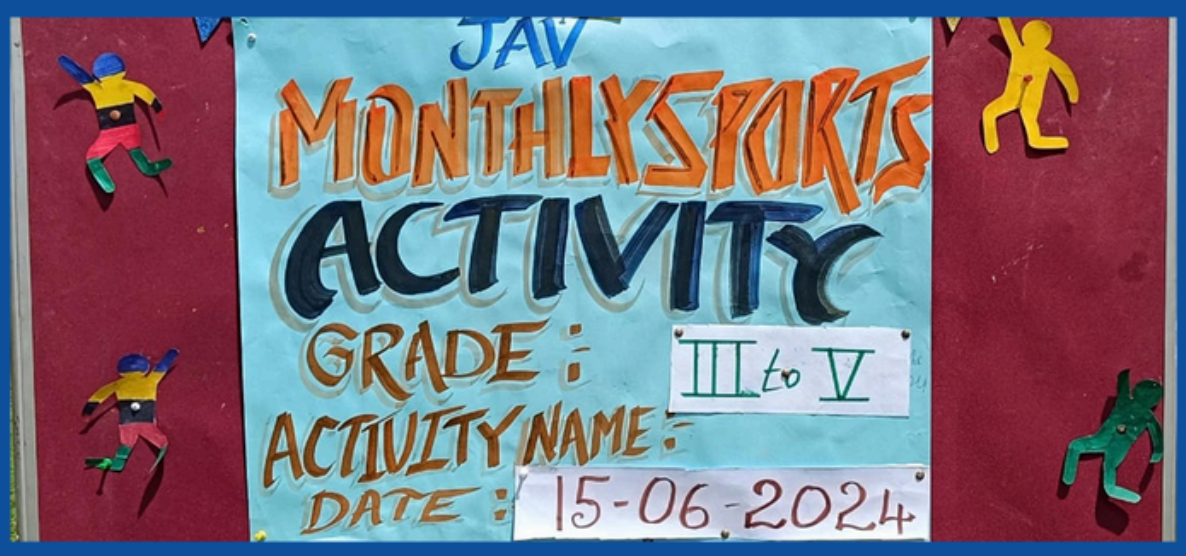

Thanks and regards

HOD

Department of Health and Physical Education

Sports

Activity Name: Optical Run
Mode: Individual
Grade: III to V

The Health & Physical Education department organized a thrilling Optical Run for primary grade students on June 15, 2024, Saturday, from 10:00 AM to 1:30 PM at the school main playground, Bapuji (junior) wing. The event saw enthusiastic participation from students in Grades III to V.

All class teachers and students from these grades gathered at the school ground within the stipulated time. The event was conducted under the supervision of the Health & Physical Education teachers:

- Mrs. Sunitha Gandhi
- Mr. Mahamuneppa
- Mr. Shivakumar
- Mr. Yerriswamy

The Optical Run was a great success, met with excitement and energy from the students.

This event was designed to spark curiosity and enthusiasm for the fascinating world of optics, engaging students with a variety of hands-on activities and demonstrations. The Optical Run featured:

- Interactive demonstrations
- Hands-on activities
- Educational games

The Optical Run was a resounding success, igniting a passion for science in our young learners. Teachers reported that students were excitedly discussing their experiences and newfound knowledge with their peers and families.

Sports

During the Optical Run, students participated in several interactive stations that highlighted different aspects of optical science. They explored the principles of light and color, learned how various optical devices work, and discovered the magic of lenses and prisms.

Classroom Activity

Topic: Good Habits
Date: 27-6-2024
Grade: 1/D
Subject: Environmental Studies (EVS)
Conducted by: Mrs. Shilpa Bai V H

Mrs. Shilpa Bai V H initiated a classroom activity on the topic of good habits. The session began with an energizer where the teacher demonstrated various good habits through actions, which the children enthusiastically followed.

During the activity, the children showcased different habits and demonstrated how they incorporate these habits into their daily routines. This interactive approach helped them understand the importance of good habits in daily life and encouraged them to adopt these habits for a healthier lifestyle.

Classroom Activity

Class 12 Science

Subject: Mathematics

Topic: Relations and Functions

A seminar was conducted for Class 12 Science students on the topic of Relations, specifically focusing on equivalence Relations. During the seminar, students actively participated by demonstrating various sums to illustrate the concept of equivalence Relations. This interactive session provided students with a deeper understanding of the topic, enhancing their proficiency in Mathematics.

Classroom Activity

Grade UKG Class Activity: Exploring the World Through Our Senses

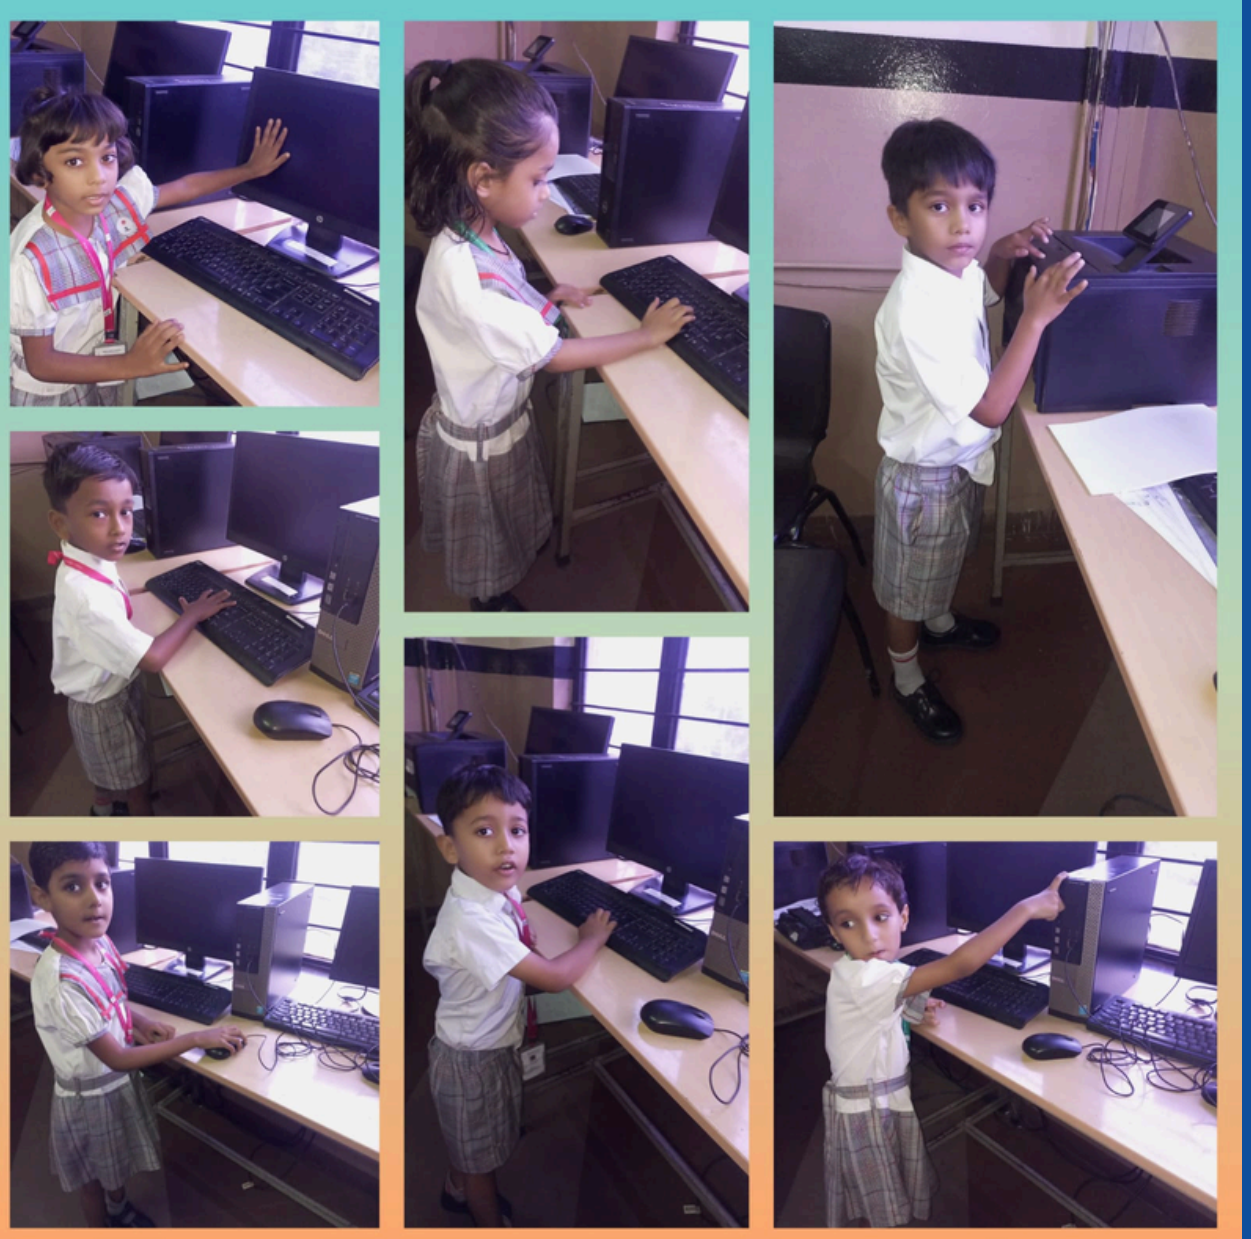

Discover the wonders of sight, sound, touch, taste, and smell in our exciting new class activity. Our young explorers will engage in hands-on experiences that highlight the importance and uniqueness of each sense, fostering a deeper understanding of the world around them.

UKG Class Activity

Where Technology Meets Teamwork

Join us on a computer adventure as we explore the parts of a computer. This activity will combine technology and teamwork, providing students with a fun and educational experience as they learn about the different components and their functions.

Demonstration on Crop Production and Management

Demonstration on Crop Production and Management

For Class 8th C and D sections, a demonstration class was conducted on the topic of crop production and management. The teacher employed various agricultural tools such as the plough and leveller to enhance students' understanding of agricultural practices. These practical demonstrations aimed to provide students with hands-on experience and insight into the techniques involved in crop cultivation. This interactive session not only enriched their theoretical knowledge but also equipped them with practical skills relevant to agriculture.

Thanks and regards,

M Sreedhara

Science Teacher

Community Outreach Program

Community Outreach Program - Sustainable Development Goal 3: Good Health and Well-being.

"The greatest wealth is health."

On June 29th, 2024, our energetic Grade 2 students spearheaded a remarkable community outreach program focused on Sustainable Development Goal 3: Good Health and Well-being! Held at Shankar Hill Town, the event was a vibrant showcase of talent and knowledge.

Students delivered impactful speeches, soulful songs, and engaging role-plays in Hindi, English, and Kannada. They also led a yoga session, demonstrating its benefits for overall well-being. Additionally, students created informative placards and participated in a fun fancy dress competition, dressing up as their favorite healthy and not-so-healthy foods.

The program, divided into sections across different blocks, maximized exposure and impact, raising awareness about healthy living within the community. It provided a platform for our young learners to build confidence, enhance speaking skills, and advocate for healthy food choices.

We are delighted by the positive feedback from parents, highlighting the program's effectiveness in engaging students and promoting healthy habits. Moreover, evening doctors joined us, enriching the session with their expertise and additional insights on good health and well-being.

Community Outreach Program

Community Outreach Program

Community Outreach Program

Community Outreach Program Celebrates World Environment Day

As part of our community outreach program, we celebrated World Environment Day by distributing saplings to the Town Municipal Council of Kurekuppa, local residents, and surrounding schools. We planted 50 saplings on school premises under the guidance of our Principal, Mr. Prashant Muley. With the assistance of Forest Range Officer Syed Dada Kalandar, approximately 700 saplings were procured from the Sandur forest for this initiative

CBSE Training

CBSE – Capacity Building Program
Topic: Active Learning

Active learning is a teaching methodology that encourages students to actively engage with learning materials, moving beyond passive listening or note-taking. It employs techniques like group discussions, problem-solving activities, debates, and hands-on experiments to deepen understanding of subjects.

During the CBSE Capacity Building Program, educators are introduced to active learning and its classroom benefits. By integrating these strategies, teachers create dynamic environments fostering critical thinking, collaboration, and creativity. Students take ownership of their learning, enhancing retention and academic performance while accommodating diverse learning styles.

Implementing CBSE's active learning techniques transforms classrooms into centers of exploration, where students question, discover, and innovate. This approach not only boosts academic achievements but also instills a lifelong passion for learning.

CBSE Training

Students' Council Election

The Election Conducted for Head Boy and Head Girl in School

The annual election for the positions of Head Boy and Head Girl was conducted at Jindal Adarsh Vidyalaya on June 29, 2024. The event aimed to foster leadership qualities among students and provide a platform for them to voice their ideas and represent their peers.

Nomination Process

The election process began with the nomination of candidates. Students from the 5th grade were eligible to run for the positions. Each candidate was required to submit a nomination form endorsed by three teachers and ten students.

The final list of candidates included:

Head Girl Nominees:

1.Rashmi Poojari-VA
2.Akshara D B – VB
3.Aishwarya KM – VB
4.Akhankya Priyadarshini Sahu-VE
5. Ananya Maity- VF

Head Boy Nominees:

1 Shivananda Mohanty V F
2 UtpanKumar V F
3 Pankaj Kumar Gupta V G

Campaign Period

The candidates were given a week to campaign. They utilized various strategies, including:-

Posters and Flyers: Candidates designed posters and flyers to highlight their visions and promises.

Students' Council Election

Speech Day

A formal speech event was organized where each candidate presented their manifesto and answered questions from the audience.

Election Day

The election was held in the school auditorium using Electronic Voting Machines (EVMs). Students from grades 3 to 5 voted, and the process was overseen by the Election Commission and school administration.

Students' Council Election

Voting Process

1. Voting Booths: Voting booths were set up to ensure privacy.
2. Ballot Boxes: Confidential ballot boxes were used to collect the votes.
3. Counting of Votes: Votes were counted in the presence of the Election Commission and school administration.

Results Announcement

The results will be announced during the morning assembly on July 2, 2024. The winners are as follows:

- Head Boy: Pankaj Kumar Gupta (Grade 5G)
- Head Girl: Ananya Maity (Grade 5F)

Conclusion

The election for Head Boy and Head Girl at Jindal Adarsh Vidyalaya was conducted successfully, demonstrating the democratic values and active participation of the students. The event was a valuable learning experience for all participants, highlighting the importance of leadership, responsibility, and fair play.

Pankaj Kumar Gupta and Ananya Maity were congratulated on their new roles and encouraged to lead with integrity and dedication.

The election was a commendable effort by the school administration, teachers, and students, setting a positive example for future student-led initiatives.

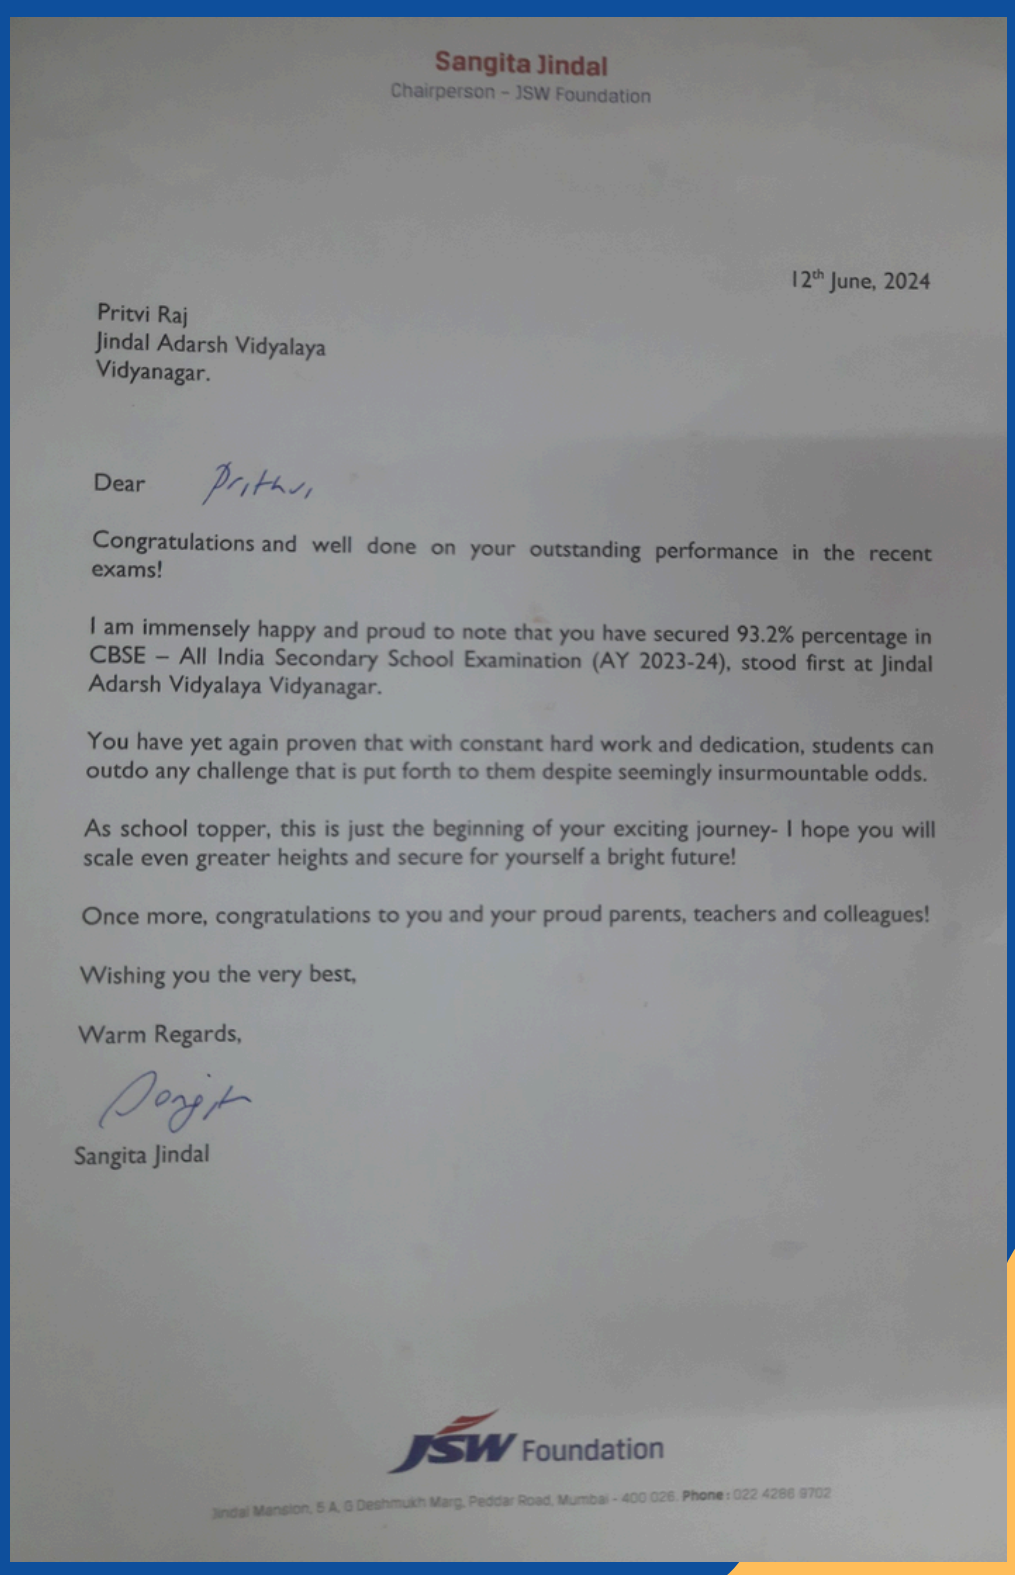

Appreciation Letter

Grade 10th topper, Prithviraj, received an appreciation letter from JSW for his outstanding academic performance. This recognition highlights his dedication and hard work throughout the year. The school congratulates Prithviraj on this remarkable achievement and wishes him continued success in his future endeavors. The appreciation from JSW serves as an inspiration to all students to strive for excellence in their studies.

Sangita Jindal
Chairperson - JSW Foundation

12th June, 2024

Pritvi Raj
Jindal Adarsh Vidyalaya
Vidyanagar.

Dear Prithvi,

Congratulations and well done on your outstanding performance in the recent exams!

I am immensely happy and proud to note that you have secured 93.2% percentage in CBSE – All India Secondary School Examination (AY 2023-24), stood first at Jindal Adarsh Vidyalaya Vidyanagar.

You have yet again proven that with constant hard work and dedication, students can outdo any challenge that is put forth to them despite seemingly insurmountable odds.

As school topper, this is just the beginning of your exciting journey- I hope you will scale even greater heights and secure for yourself a bright future!

Once more, congratulations to you and your proud parents, teachers and colleagues!

Wishing you the very best,

Warm Regards,

Sangita Jindal

Softboard Decoration by Grade VIII

Visit to Hampi Art Lab

Visit to Hampi Art Lab

Art Gallery

We initiated a basic warm-up art activity to ignite children's interest in the subject. Our goal was to help them recognize the importance of art in their daily lives. Through these activities, we taught them how to manage their senses to stay focused and enthusiastic in the educational system. This approach marks their initial steps in exploring the fundamentals of art, encouraging creativity and cognitive development from an early age.

EDITORIAL MESSAGE

Dear Readers,
Read the story, "The Gift of Respect," and discover the profound impact of honoring others and the beauty of mutual understanding.

once upon a time, in a small village nestled among lush green hills, lived a young boy named Sam. Sam was known for his mischievous nature and his habit of ignoring his parents' advice. Despite their constant reminders, Sam would often neglect his chores and stay out late playing with his friends.

One sunny day, as Sam was playing near the village pond with his friends, he noticed a shiny object glimmering in the water. Curious, he waded into the pond and retrieved the object. To his surprise, it was a beautiful golden locket.

Excitedly, Sam rushed home to show his newfound treasure to his parents. However, when he presented the locket to them, instead of praising him, his parents looked worried.

"Where did you find this, Sam?" his father asked, his voice filled with concern.

"In the pond near the village," Sam replied, puzzled by his parents' reaction.

His mother gently took the locket from his hand and examined it closely. "This belongs to Mrs. Jenkins, our neighbor," she said softly. "She lost it a few days ago."

EDITORIAL MESSAGE

Realization dawned on Sam. He had found something precious to someone else, and instead of returning it, he had kept it for himself. Ashamed of his actions, Sam hung his head low.

His father placed a hand on his shoulder and said, “Sam, respecting others’ belongings is important, just like respecting your parents. Always remember, honesty and kindness are virtues that will guide you through life.”

From that day on, Sam understood the value of respecting others and their possessions. He promised himself to listen to his parent’s advice and treat them with the utmost respect.

And so, with a newfound understanding, Sam embarked on a growth journey, guided by the lessons learned from his parents’ wisdom and love.
