Cir:JVM/VDN/2021/Exam/Class I to VIII/T-2/19

Date: 21/01/2022

“The importance of 'Dream School' is monumental. Helping to inspire these students to reach their potential is personally gratifying”
- Curtis Jackson

Dear Students & Parents

Greetings!

Assessments are an integral part of a student's learning curve as it helps to gauge their understanding of the concepts. The assessments conducted till now have been diagnostic in nature and have helped the teachers to revisit the concepts where they felt that the students were facing difficulty. Now we are moving to a phase where we are going to assess the teaching-learning process.
