SYLLABUS 2025 -26

Class:LKG

Subject: English

Month: April

1

Literacy Skill book	Literacy Workbook	Phonics Skill book	Phonics Reader	Topics	Learning objectives	Activities	Assessment Method
		-	-	Standing line and sleeping line.	Identify and trace the standing line and sleeping line. Find the relative objects.	Trace the standing line and sleeping line in sand	Oral/ Worksheet
		-	-	Slanting line and Curves	Identify and trace the Slanting line and Curves. State the relative objects.	Students will paste strips like Slanting line And using fingerprints they will make Curves.	Oral/ Worksheet

Subject: English

Month-June

Literacy Skill book	Literacy Workbook	Phonics Skill book	Phonics Reader	Topics	Learning objectives	Activities	Assessment Method
---------------------	-------------------	--------------------	----------------	--------	---------------------	------------	-------------------

Pg no 1,2	Pg no 3,4.	-	-	Standing line and sleeping line.	Identify and trace the standing line and sleeping line. Find the relative objects.	Trace the standing line and sleeping line in sand	oral find and tell
Pg no3,4,5	Pg 5,6	-	-	Slanting line and Curves	Identify and trace the Slanting line and Curves. State the relative objects.	Students will paste strips like Slanting line And using fingerprints they will make Curves.	Oral

Literacy Skill book	Literacy Workbook	Phonics Skill book	Phonics Reader	Topics	Learning objectives	Activities	Assessment Method
Pg no 7,8	Pg no 7	-	-	Lower case letter a	Identify , read and write lowercase letter a Find the related pictures of a letter.	Pasting picture of ants on lower case letter a	Sing the phonic rhyme of a letter. Weekly & Monthly worksheets.
Pg no 10,11	Pg no 8	-	-	Lower case letter b	Identify, read and write lower case letter b State objects which have letter b	Students will paste Wings of Bee on lower case letter b	Sing the phonic rhyme of b letter. Weekly & Monthly worksheets.
Pg no 13,14	Pg no 9	-	-	Lower case letter c	Identify read and write lower case letter c Find the pictures of c letter.	College work on c letter.	Oral (name some object start with c letter) Weekly & Monthly worksheets

Pg no 16,17	Pg no 10			Lower case letter d	Identify, read and write lowercase letter d.	Making dots using ear buds on d letter.	Sing the phonic rhyme of d letter.
-------------	----------	--	--	---------------------	--	---	------------------------------------

2

		-	-		Find the related pictures of the d letter.		Weekly & Monthly worksheets.
Pg no 19,20	Pg no 11	-	-	Lower case letter e	Identify, read and write lowercase letter e. State objects which have letter e	Paste paper egg shell on lower case letter e. Match the letter with its picture from a to e	orals Weekly & Monthly worksheets.

Subject: English

Month-July

Literacy Skill book	Literacy Workbook	Phonics Skill book	Phonics Reader	Topics	Learning objectives	Activities	Assessment Method
Pg no 22,23	Pg no 12	-	-	Lower case letter f	Identify read and write lower case letter f. Find the related pictures of the letter 'f'.	paste paper flower on lower case letter f	Weekly & Monthly worksheets. Orals.
Pg no 25,26	Pg no 13	-	-	Lower case letter g	Identify, read and write lowercase letter g. State objects which have letter g	Pasting pieces of glitters paper on lower case letter g	Orals (asking phonic sound of letters from a to g)

Pg no 28,29	Pg no 14	-	-	Lower case letter h	Identify, read and write lower case letter h. Find the related pictures of h letter.	paste picture of hat on lower case letter h	Oral (name some object start with h letter)
Pg no 31,32	Pg no 15	-	-	Lower case letter i	Identify, read and write lowercase letter i Find the pictures of i letter.	Making dot with ink on lower case letter i	Weekly & Monthly worksheets
Pg no 16,17	Pg no 10	-	-	Lower case letter j	Identify, read and write lower case letter j State objects which have letter j.	colour the picture of juice on lower case letter j Picture cards activity.	Weekly & Monthly worksheets

Pg no 19,20	Pg no 11	-	-	Lower case letter k	Identify, read and write lower case letter k Find the pictures of k letter.	key print on lower case letter k Match the letter with its picture from a to k	orals (Tell the first letter of shown picture) Weekly & Monthly worksheets
Pg no 22,23	Pg no12	-	-	Lower case letter l	Identify, read and write lower case letter l Find the pictures of l letter.	making paper lollipop. Arrange letter flash card in sequence from a to l	Finding missing letters. worksheets
Pg no 25,26	Pg no 13	-	-	Lower case letter m	Identify, read and write lower case letter m State objects which have letter m	pasting face of monkey on lower case letter m	Oral (name some object start with m letter) Weekly & Monthly

							worksheets
Pg no 28,29	Pg no 14	-	-	Lower case letter n	Identify, read and write lowercase letter n Find the related pictures of n letter.	pasting pieces of newspaper on lower case letter n Flash card activity.	Sing the phonic rhyme of n letter. Weekly & Monthly worksheets.
Pg no 31,32	Pg no 15	-	-	Lower case letter o	Identify, read and write lower case letter o Find the related pictures of o letter.	collage work pick and tell	Orals, Weekly & Monthly worksheets
Pg no 34,35	Pg no 16	-	-	Lower case p	Identify, read and write lower case letter p State objects which have letter p	finger print on pineapple for lower case letter “p” (This is group activity)	Weekly & Monthly worksheets
Pg no 37,38	Pg no 17	-	-	Lower case letter q	Identify, read and write lower case letter o	sticking paper crown cutout on lower case letter “q”	Orals (Pick and tell)

Literacy Skill book	Literacy Workbook	Phonics Skill book	Phonics Reader	Topics	Learning objectives	Activities	Assessment Method
Pg no 40,41	Pg no 18	-	-	Lower case letter r	Identify, read and write lower case letter r Find the related pictures of r letter.	paste face of rabbit on lower case letter r Match the letter with its picture from a to r	orals (Tell the first letter of shown picture) Weekly & Monthly worksheets
Pg no 43,44	Pg no 19	-	-	Lower case letter s	Identify, read and write lower case letter s State objects which have letter s	paste stars on lower case letter s	Finding missing letters. Weekly & Monthly worksheets
Pg no 46,47	Pg no 20	-	-	Lower case letter t	Identify, read and write lower case letter t State objects which have letter j	college work Match the letter with its picture.	Weekly & Monthly worksheets.
Pg no 49,50	Pg no 21	-	-	Lower case letter u	Identify, read and write lower case letter u Find the related pictures of u letter.	paste picture of umbrella on lower case letter u	Oral (name some object start with h letter)
Pg no 31,32	Pg no 22	-	-	Lower case letter v	Identify, read and write lower case letter v Find the related pictures of v letter.	vegetables print with paint on lower case letter v	Weekly & Monthly worksheets

Pg no 16,17	Pg no 23	-	-	Lower case letter w	Identify, read and write lowercase letter w Find the related pictures of w letter.	paste wings on lower case letter w	Weekly & Monthly worksheets
-------------	----------	---	---	---------------------	---	------------------------------------	-----------------------------

Subject: English

Month: July

4

5

Pg no 19,20	Pg no 24	-	-	Lower case letter x	Identify, read and write lower case letter x Find the pictures of x letter.	Make xylophone using colour papers on lower case letter x	Oral (name some object start with h letter) Weekly & Monthly worksheets
Pg no 22,23	Pg no 25	-	-	Lower case letter y	Identify, read and write lower case letter y Find the pictures of y letter.	sticking yellow colour paper on lower case letter y	Weekly & Monthly worksheets
Pg no 25,26	Pg no 26	-	-	Lower case letter z	Identify read and write lower case letter z Find the pictures of the z letter.	paste black and white paper on lower case letter z	Weekly & Monthly worksheets

Term: I

Subject: Maths

Month:

April

Numeracy Skill book	Numeracy Workbook	Topics	Learning objectives	Activities	Assessment Methods
Pg no		Shape Circle.	Identify and trace the circle shape, they can identify the circle shape objects in their surroundings.	Trace the paper cup to make a circle and colour it.	We will ask them to identify more circle shape objects and tell the name of the object. Orals/Worksheet.
Pg no		Shape Square	Identify and trace the square shape, Identify the square shape objects in their surroundings.	Square photo frame using paper strips in which they will paste their photo.	We will ask them to identify more square objects and tell the name of the object. Orals/ Worksheet.

Numeracy Skill book	Numeracy Workbook	Topics	Learning objectives	Activities	Assessment Methods
Pg no 14,15		Shape Square	Identify and trace the square shape, Identify the square shaped objects in their surroundings. (bread, biscuit, building blocks, carrom, dice, chess board)	Square photo frame using paper strips in which they will paste their photo.	We will ask them to identify more square objects and tell the name of the object. Orals/Notebook.

Pg no 16,17		Shape Circle.	Identify and trace the circle shape, they can identify the circle shape objects in their surroundings. (button, clock, earth, sun, wheel)	Trace the paper cup to make a circle and colour it.	We will ask them to identify more circle shaped objects and tell the name of the object. Orals/Notebook.
-------------	--	------------------	---	---	---

Pg no 18,19		Shape Triangle.	Identify and trace the Triangle shape, Identify the triangle shaped objects in their surroundings. (hanger, ice cream)	fish cutout using shining paper.	We will ask them to identify more triangle shaped objects and tell the name of the object. Orals/Notebook.
Pg no 20,21	Pg no 23,26,27	Shape Rectangle.	Identify and trace the rectangle Identify the rectangle shape objects in their surroundings. (door, soft board, envelop, book)	rectangle print using sponge	We will ask them to identify more rectangle shape objects and tell the name of the object. Orals/Notebook.
Pg no 22,23,24	Pg no 22,24,25	Shape Oval	Identify and trace the oval shape They can identify the oval shaped objects in their surroundings. (safety pin, leaf, pineapple)	collage work on an oval shape.	We will ask them to identify more oval shaped objects and tell the name of the object. Orals/ Notebook.
Pg no 26		Number 1	Identify and trace number 1 Will ask to touch the nose & will ask many	Finger print on number 1.	We will ask them to identify how many moons are der at night time in the sky Orals/Notebook.

			noses we have, how many heads we have? Will show the sun		
Pg no 27		Number 2	Identify and trace number 2, Will ask to touch the eyes, ears, hands & legs will ask many eyes, ears, legs, hands we have?	Pasting cut outs of wheels on Bicycle picture	We will ask them to identify how many wheels there are for bicycle, motor bicycle, Orals/Notebook.

Term: I

Subject: Maths

Month: July

Numeracy Skill book	Numeracy Workbook	Topics	Learning objectives	Activities	Assessment Methods
Pg no 28		Number 3	Identify and trace number 3	Paste three circles on the ice cream cone.	Count three objects and say the number.

Pg no 29		Number 4	Identify and trace number 4	Paste the cut outs of seeds on the water melon.	We will ask them to identify how many wheels are used for car, buses. Orals/Notebook.
----------	--	----------	-----------------------------	---	---

Pg no 30 ,31 Pg no 1,4	Pg no 1,2,3,4	Number 5 Concept	Identifying and count, trace the number 5	Palm print Sort and match the pictures.	We will ask them to identify and count how many fingers are in one hand. Practice Worksheet/orals/ Notebook.
-------------------------------	---------------	-------------------------	---	--	--

		Same and Different	Identify and compare the objects.		
Pg no 32		Number 6	Identify and count, Trace the number 6	College work on number 6	Orals/ Notebook.
Pg no 33		Number 7	Identify and count, Trace the number 7	Pasting flower petals.	Orals/ Notebook.
Pg no 34 Pg no 2	Pg no 5,6	Number 8 Concept Big and small	Identify and count, Trace the number 8 Identify and compare the size of objects. (Big and	Pasting stars on number 8 Find small ones.	Pick the small leaf from the tray

			small)		
Pg no 35	Pg no 30,31	Number 9	Identify and count, Trace the number 9	Pasting 9 circles on number 9	Orals/ Notebook.
Pg no 25,36,37,38,39	Pg no 28,29	Number 10	Identify and count, Trace the number 10	Both hands palm print.	Monthly Worksheet/orals/ Notebook.
Pg no 3	Pg no 7,8	Concept Tall and short	Identify and compare the objects. (Tall and short)	Line up from short to tall.	Compare the height of your friend and say who is tall.

Numeracy Skill book	Numeracy Workbook	Topics	Learning objectives	Activities	Assessment Methods
Pg no 6	Pg no 11	Concept Heavy and light	Identify and compare the weight of objects. (Heavy and light)	Lift and compare (balloon and chair, book and pencil, lunch bag and school bag).	Practice Worksheet/orals/ Notebook.
Pg no 40,41,42	Pg no 28,29 32,33,36	Numbers from 1 to 10 (Revision)	Identify and count numbers from 1 to 10.	Matching dots with the numbers.	We will ask them to count both hands finger. Orals/Notebook.
Pg no 43 to 56.	Pg no 34,35,39,40,41,42,43	Numbers 11 to 20.	Identify and count numbers from 11 to 20.	Jumping on numbers written on the floor.	I – Tri Monthly worksheet / orals.

Term I

Subject: Awareness (GA)

Month: June

Awareness Skill Book	Topic	Learning objectives	Activities	Assessment Method
Pgno 2 to 6	My body	Encourage the learners to point to each body part and try to Say the name.	Match the body parts	Children will point to their body parts and name it.
