**'Still Going Strong'**

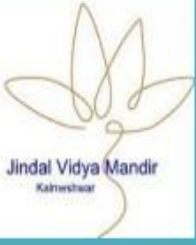

**"Education is a shared commitment between dedicated teachers, motivated students and enthusiastic parents with high expectations"**

First, I would like to congratulate to all staff and students. It is remarkable that we managed to pull that off together, all of us, including parents. The teachers, the administration and group have worked and still are working effortlessly in achieving targets set forth by the institution and the CBSE to live up to the school motto 'Every day, Every child, a leader', the month of August brings about a number of festivities and celebrations which commenced on the very first day of the month with Friendship Day to imbibe the bond of friendship between peoples, countries, cultures and individuals which can build bridges between communities. Keeping the motto in our minds, the school celebrated the birth anniversary of our founder Shri. O.P. Jindal ji on 7th of August with a motive that the students can guzzle his qualities of courage and hard work. The Independence Day on 15th of August was celebrated by the teachers and staff members of the school with patriotic gusto which was indeed a cheerful event for us as it included the felicitation of top scorers of session 2020-2021. I appreciate the students who participated in various events on the occasion of Rakshabandhan, World Photography day and National sports day. Keep participating and inspiring.

Dear students, these are challenging times, but I know that you are all up for the challenge. Use this time to learn, reflect, create, practice, appreciate those around you and be grateful for all of the blessings we share.

## Orientation and Training sessions on Special Educational Needs under JVM CoE :

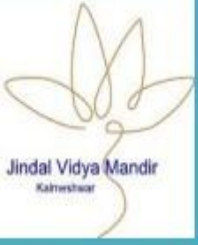

We all love to feel special. We feel special when others make us feel like we're a part of their life. But some end up making you feel indifferent. They sarcastically make fun of one's challenges. To address these special physical, social and emotional needs, the Team Kalmeshwar is orienting teachers of all JVM's under Centre of Excellence "Special Educational Needs". Every month we conduct awareness sessions for teachers of all JVMs on different topics related to disability. We are more than happy to share that till date Ms. Deepa Nigam [Counsellor, JVM-Kalmeshwar] conducted ten orientation sessions, wherein about 500 teachers and counsellors across all JVMs had been oriented. Six sessions were conducted by different counsellors at their location.
