From Principal Desk -

ONE STEP AT A TIME!

Dear Students,

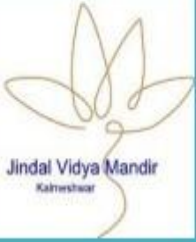

It is rightly said that handling too many things at a time is difficult as it takes a toll on our energy, time and resources. However the correct way of managing things is to prioritise what is important at the very moment over what really looks most interesting in the to do list.

My dear Children this comes as an advice for you all to prioritise and plan your work to avoid the fear of losing anything important or to feel stressed out in the course of any work. The month ahead is all about campaigning, voting and electing the School Council members who are going to voice for the students' fraternity and contribute to the overall activities of the school. While being a student you get an opportunity to understand the golden rules of school governance and democracy and for this extra time and energy would be required at your end. Ensure to keep your academic goals as priority so that you do not get stressed with additional responsibilities coming your way. Enjoy the taste of leadership and team work through various activities while you are in school so that you lead with confidence in all walks of life.

All the best!

**C. Pallavi
Principal**

My School in Action

National Doctor's Day -

Doctors are a very integral part of our society. They dedicate their lives to serve the people. To celebrate their contribution, National Doctor's Day is being celebrated every year on 1st July. The day is celebrated to acknowledge the important contribution of doctors and physicians, and thank them for their relentless service to humanity. Due to the Covid-19 pandemic, many Doctors have been serving the people tirelessly, without any break. They are compromising with their own health to make sure that their patients get the best treatment possible. During these unprecedented times, it becomes even more important for us to celebrate the day of our doctors and physicians and be thankful to them for their service to humankind. Therefore, to commemorate this day the students of Jindal Vidya Mandir , wrote a letter of gratitude and thanksgiving to the doctors and handed over to them with a heart filled with gratefulness. With this small gesture we truly wanted to thank the doctors for their hard work.

God cannot be everywhere, so he sent the *Doctors* with Excellence & Selflessness...!

International Plastic Bag Free Day -

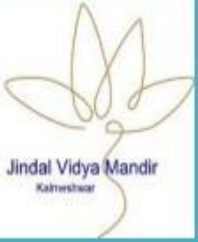

International Plastic Bag Free Day was created by Bag Free World. It was created as a worldwide initiative for the purpose of getting rid of the single-use of plastic bags around the world. It is all about promoting environmental conservation by encouraging us all to stay away from the use of plastic bags and instead look for more eco-friendly alternatives. The students of Jindal Vidya Mandir along with their parents and friends have also actively participated in this movement. On this day Ms. Alisha Pillay and Ms. Ankita Sawalkar the art and craft teachers of our school have conducted a virtual online session to teach them making useful paper bags by using newspapers. In addition to this, grade VIII -X students made Magazine storage baskets also. The day is also important in terms of increasing awareness of the dangers and the harm that is associated with plastic bags in terms of the impact they have on marine life, animal life, and nature. So, it is good to share awareness for the well being of the humans and also for all the creatures on our planet.

Plastics give a helping hand, but they are polluting our land..!

Advertisement Activity -

Scholastic and Co scholastic activities have an equal importance in school program for overall development of the child. Keeping this in view Jindal Vidya Mandir, Kalmeshwar conducted an online advertisement activity wherein the students were encouraged to script an advertisement of any product of their choice. The purpose of this activity was to make students know the strategy and use of communication in the process of branding. Students displayed their talents virtually with lots of enthusiasm and interest. The event proved to be a great learning experience for the students and gave them a platform to explore their hidden talents.

Interclass Singing Talent Hunt -

Jindal Vidya Mandir, Kalmeshwar had organized an online singing audition from 3rd July to 19th July 2021. The activity which was conducted by the Music faculty Mr W.P. Aditya Rao with the goal to give the students a platform to showcase their musical talent by posting a video of a song of their own choice either in English or Hindi. The students were allowed to choose the song/track with non-offensive content and present a rendition of their own by using their own skills as vocalists. A number of students from Primary, Middle and Secondary classes (Grade 2 to 9) had participated in the activity and presented songs ranging from Devotional to Bollywood and Pop either on a Karaoke track or completely on their own without any musical background to be used as a reference in their performance.

Plantation Drive

The staffs of school have taken a great initiative of planting medicinal saplings in the school campus. The plants of turmeric, Ajwain (Carom seeds), Ginger, Aleo Vera, Curry Leaves, Goose Berry and Pineapple were given a place in the loving garden of school campus. Mrs. Jyotsna Randhir led this noble event, accompanied by Ms. Deepa Nigam and other staff.

Parents Orientation on Myclassboard (MCB) ERP

Orientation sessions were conducted on MCB ERP for making the parents, students and teachers aware of the structural and functional aspects of the ERP through an online interaction. Around 500 parents were present in the online training along with their wards. The group was enlightened with the effectiveness of the ERP in the area of academics, overall communication and administration. The training was conducted online by Ms. Priyanka Paul.

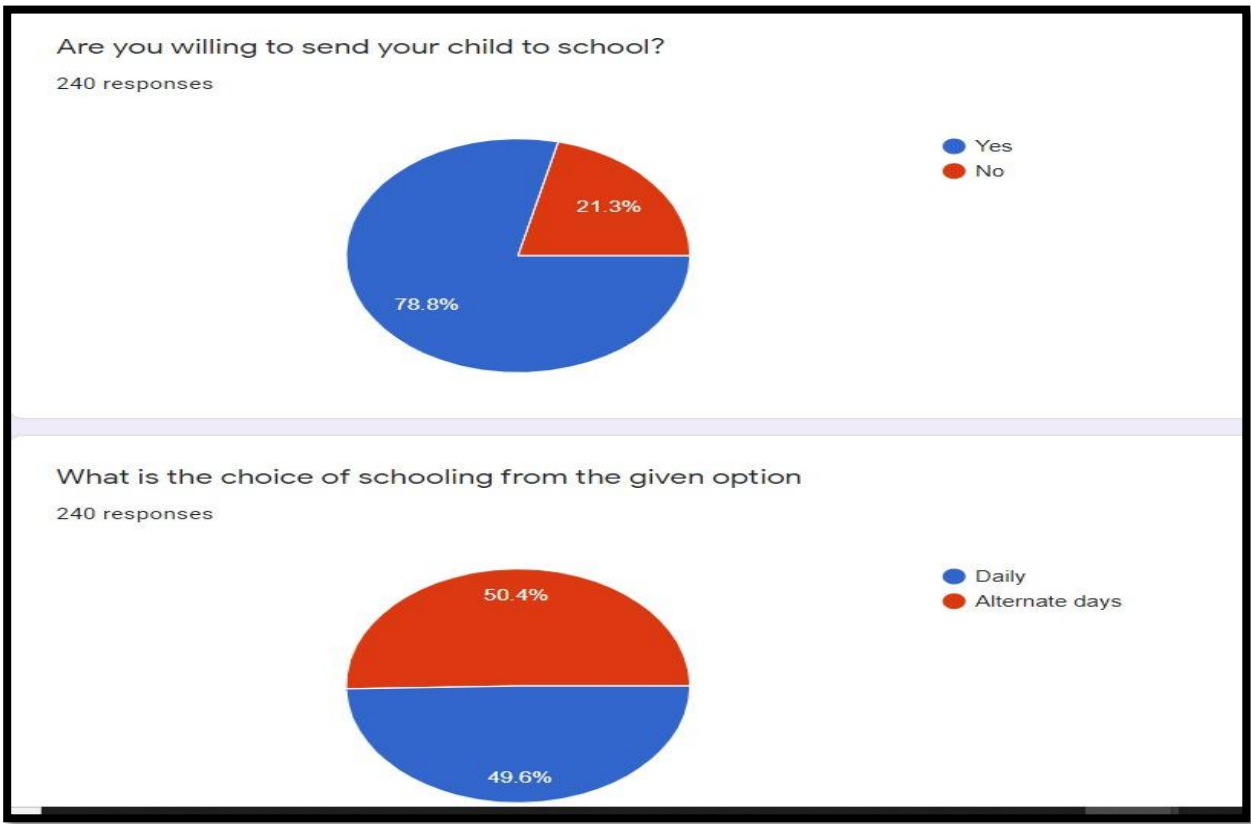

MCB Parents App

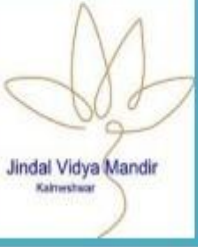

School Reopening Survey Report

We all are excited that at many locations the process of unlocking has already been started. To bring schools to normalcy, we at JVM, Kalmeshwar has undertaken a survey to know, the parent's willingness for sending their wards to school. From this survey, we come to know that 78.8% parents show their interest in school reopening.
