From Principal's Desk:

My dear students,

"Look forward with confidence and look back with gratitude!"

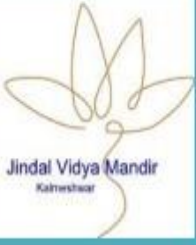

On the eve of the New Year, we are all set to embrace and welcome the year 2022 with great hope and joy. Let us all take the opportunity to look back at the year passed by and thank the almighty for granting us blessings in a form we could see, hear, and feel to be happy. Be thankful to your family, friends, near and dear ones for all the help, guidance and support you received from them at any point of time. Extend special gratitude towards your parents for being your care takers and well-wishers. They burn midnight oil to fulfill your needs, desires and ensure a happy living for you. Teachers are also to be thanked for they helped you learn and grow through the online and offline modes of schooling. The unprecedented times of Covid 19 created a severe health crises in the world, compelling us to live locked inside the four walls of our home. This was the time when we realized that we should be happy with what we have and count our blessings to be happy. Therefore towards the end of this year, let us be vocal about our soft feelings towards the elders and friends and acknowledge them giving regards and respect in every possible way that we can. Let's say thank you to the year 2021 with feelings mixed with highs and lows of the emotions and live by the virtue of being humane.

Thank You Dear All.....!

Take care...!

International Day of Persons with Disabilities :

“Optimism is the faith that leads to achievement. Nothing can be done without hope and Confidence.” - Hellen Keller

Jindal Vidya Mandir Kalmeshwar observed 3rd December 2021 as the Day of Persons with disability.

To mark this day the students were encouraged to attend a webinar which was taken up by CRC i.e. Cluster Resource Centre, Nagpur in collaboration with Prerana Special School, Kalmeshwar, on the theme 'Leadership and participation of persons with disabilities toward an inclusive, accessible and sustainable post-COVID 19 world'. The resource person Smt. Kavita Ghodmare, Special Educator and Smt. Neeta Jain Rehabilitation, Psychologist, Nagpur, informed about the situation of those afflicted with physical, emotional or cognitive disabilities face numerous serious and fatiguing challenges. Fortunately, the modern explosion in scientific and technological innovations provides extraordinary opportunities to deliver profound improvements to their quality of life. The spirit of the celebration of the day was to ensure that all people in the world have equal opportunities for work, play, health, and success. We encourage students to understand that people with disabilities very often contribute and are valuable members of society and we must support and practice inclusion in every sphere of life and work.

Awareness Session on the Side Effects of Social Networking on Mental Health :

With the overall objectives of raising awareness of mental health issues and mobilizing efforts in support of better mental health, an awareness session was organized in school premises. Resource person Dr. Aparna Bhalerao, HOD, Department of Clinical Psychology emphasized on the early recognition of mental illness due to the excessive use of social media like Twitter, Face book, Whats app etc. She enlightened the students on managing stress and finding the ways to develop coping strategies to get rid of the stress, anxiety and depression. Students were encouraged to practice strategies like controlling negative thoughts, engaging in a hobby, exercise, making lifestyle changes and seeking professional help when required. At the end of the session, Ms. Deepa Nigam, the school counsellor encouraged the students to think of constructive ideas to seek change in daily routine. She inferred that turning off unnecessary notifications and visiting the social media at stipulated time intervals, along with a social media detox can help come out of the addiction. A day filled with awareness-building exercises thus, reinforced the message that mental illness is nothing to be ashamed of. Neither is talking about it. It's 'Time to Talk, it's Time to Change'.

Human Rights Day :

Jindal Vidya Mandir conducted a special assembly to Commemorate Human Rights Day. On this day in 1948, the United Nations General Assembly adopted the Universal Declaration of Human Rights Day. The day is celebrated to improve the physical, social, cultural and spiritual well being and welfare of the vulnerable group of people globally. The students presented a role play highlighting the issue of lack of awareness among the illiterate and poor about their basic rights and how they are repressed by the powerful, for their selfish motives. The students made it loud and clear through their effective performance that to denying people their human right is to challenge humanity. The human rights belong equally to each of us and bind us together as a global community with the same ideals and values. This day has been celebrated by our students to raise awareness among masses about their fundamental rights.
