From Principal's Desk:

Well Begin is half done!

New Year greetings to you. We have completed one calendar year 2021 giving tough fight to the challenges posed by the VUCA world i.e. the world of Volatility, Uncertainty, Complexity and Ambiguity. The phase of schooling we crossed shunting from online to offline and vice versa had been enormously enriching in many ways. We continued to embrace technology, remain participative and competitive at various platforms of learning and performance. The very first month of the New Year introduced opportunities for the children to explore, learn and have fun through activities under MUSO i.e. Museum of solutions, School Social Responsibility, Road safety Patrol and other clubs. It is heartening to see the students participating with such zeal and enthusiasm. The learning will go a long way in shaping your overall confidence and personality. The year beginning activities have set the tone for the year, we would like to see our staff, and students continue excelling in various fields and fetch feathers for their caps making the most of the Year 2022. Once again a very Happy New Year.

Makar Sankranti Celebration:

Makar Sankranti is a Hindu festival celebrated all over India in many different ways on the 14th day of January. The day marks the end of the month with the winter solstice and the start of longer days. The young learners of Jindal Vidya Mandir have marked this day by celebrating it with more enthusiasm and zeal via virtual platform. They were completely absorbed in the festive spirit. Students actively participated in different activities held on the virtual platform. Through this virtual celebration, students were made aware about the significance of the festival. To make the students aware about the celebration we encouraged them to write an article on the importance of Makar Sankranti and Pongal in different cultural contexts like Andhra, Tamil , Punjab, Assam, Maharashtra etc. also on the occasion of the same the students were motivated to participate in the activity named as “ Snap a pic” activity wherein the students were required to take pictures of kite festivals, family celebrations, festival gathering and provide a small description on the festivities and significance of the festival. The school Principal, Ms .C. Pallavi extended her kind wishes to everyone and encouraged everyone to value their history, traditions and culture.

Birth Anniversary of Netaji Subhash Chandra Bose:

Netaji Subhash Chandra Bose Jayanti or Netaji's birth anniversary every year is celebrated on 23rd January in his honor and to remember his contribution towards the freedom struggle. This day is celebrated to give tribute to him who was one of the great leaders who spent his entire life fighting for the independence of his country. The students of Jindal Vidya Mandir paid rich tributes to Netaji Subhash Chandra Bose on the 125th birth anniversary of Netaji Subhash Chandra Bose. To imbibe the vision and ethos of patriotism from Netaji's life and to express respect and gratitude to Netaji, the students were encouraged to write an article or paragraph based on the life of 'Netaji'. The event was a success where the children and youth participated enthusiastically.

Republic Day Celebration:

Republic Day marks an important event in India's history. It commemorates the enactment of the constitution of India which came into effect on January 26, 1950, and made the nation into a republic. This year the country is celebrating "Azadi Ka Amrit Mahotsav." It is an initiative of the Government of India to celebrate and commemorate 75 years of progressive India and the glorious history of its people, culture and achievements. Like every year, the programme began at 8.30 A.M. The celebration was opened by the flag hoisting ceremony. This was followed by the National Anthem. The chief guest Mr. Paresh Shah Plant Head, J SW Steel coated product Ltd. was escorted towards the flagpole to unfurl the National Flag followed by the inspirational speech given by him he thanked all the teachers and staff involved with the organization of the Republic Day programme. Keeping in mind the glorious 75 years of independence of progressive India and the glorious history of its people, culture and achievements, 'Azadi Ka Amrit Mahotsava' has been initiated by the Government of India. Celebrating this Mahotsav, children of Jindal Vidya Mandir, Kalmeshwar enthusiastically participated in various activities like PowerPoint presentation including the information about the "gallantry award winners", post card making competition organized by CBSE. The students' enthusiasm was also reflected in the poetic session remembering great leaders.

Museum of Solutions inspiring, enabling and empowering:

The Museum of Solutions empowers children to build a better world together through hands-on experiences based on the real world. Jindal Vidya Mandir, Kalmeshwar organised a clothing conundrum session under Museum of Solutions wherein students were encouraged to come up with their creative ideas for reusing the clothes. Their presentation showcased their spirit, which was a visual treat. Clothing conundrum consisted of three levels which included a variety of teaching and learning methods such as activity and inquiry based learning, collaboration, value focused thinking, reflection and critical thinking.

- * In level one the students were given information on how to explore the variety of unexpected ways fabrics are made.
- * In level two they were encouraged to design a new label for their chosen piece of cloth.
- * In level three they transformed an old damage piece of clothing into bags, clutches, cushion cover, & many more.

The second mission of Museum of Solutions was 'Plastic Predicament' wherein the students were encouraged to dive deep into all things, which surrounds them and understand everything about how plastic is made and ways to solve the problems it creates. Under this mission two levels were conducted.

- * In first level they were motivated to investigate how much plastic they use in their daily life.
- * In level two they learnt the secret code language of plastic recycling, for which they did a scavenger hunt.
