From Principal's Desk:

Dear All,

Namaskar!

The month of November added a beautiful chapter in our lives, as it encouraged us to march beyond the boundaries of the regular academic processes and collaborate with the fellow JVM mates from Pan India in the mega event SAMATVA – The Inter JVM Arts, Sports and Cultural event.

The event witnessed the participation of approximately 4000+ members that included Students and staff from all the JVMs from various geographical locations from Himachal Pradesh, Maharashtra and Karnataka. The USP this inter JVM extravaganza was JET student leadership, which took charge of Samatva in all three domains.

My sincere appreciation for the Kalmeshwar team who participated with great enthusiasm and dedication bringing laurels to their school, making teachers and parents proud of their performances. We appreciate the students for their achievements in sports, live art competition and cultural performances. Keep it up dear children!

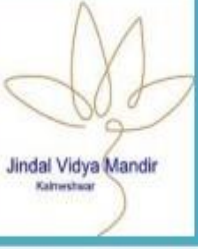

I would also like to highlight the community welfare work undertaken by our students for the cause of elderly senior citizens. Students observed the joy of giving week and collected the articles used for daily care in winter season viz body lotions and hair oils, warm clothes etc. On behalf of the school, the Students council offered these articles to the residents of old age home with utmost gratitude and humility. Our children are our pride and we wish to see them grow with humane values.

Special mention about the health and environment safety department of the school for conducting the mock evacuation drill in the school premises for ensuring the reality check of school's preparedness towards any emergency.

Everything good and desirable is possible only when the stakeholders including parents and community joins hand for the benefit of the students. We are sincerely grateful to our Parents community for their trust and support in all the endeavours undertaken by the school and look forward to seek their partnership for the upcoming events that includes Sports day in the following month.

Once again, thank you and best wishes!
