### **From Principal's Desk:**

Dear All,

"Every new beginning comes from some other beginning's end." – Fare The Well!

At the outset, On behalf of the School Management, Staff and students, I would like to extend best wishes to grade X students for the upcoming board examinations. The blessing ceremony was convened on the day of Basant Panchami to shower good wishes and blessings to the grade X students, as they stood on the crossroad of life to face the world outside the school. We give our children the roots of responsibility and wings of freedom to excel in all the walks of life and wish that they fare well in their future endeavours. The premises witnessed the fun under the sun, as the parents, staff and students from the ECCE department participated in the annual sports events with great zeal and gusto.

The commemoration of National Science day was conceptualised through the conduction of the "Inter House Science Model Making Competition" wherein the presence of the young and energetic GETs from JSWSCPL added value. They encouraged the participants through their expertise and experience while judging the models.

The interactive session hosted under the banner of International Union for Pure and Applied Chemistry was a special initiative taken with the help of Akanksha ladies club. The theme of the session, "Chemistry from Indian Kitchen for Human Health." aimed at sensitizing the adolescence towards health and wellbeing through Nutrition.

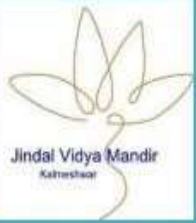

The Marathi department deserves praises as the cultural performances during the Marathi day celebration created a long-lasting impression on the gathering by highlighting the rich literature and theatrical anecdotes.

Every program becomes a success with parents partnership, with the support of JSWSCPL and Akanksha Ladies Club and the hardwork executed at the end of the JVM team. We are grateful towards all!

Warm Regards

Pallavi Chakkilala

Principal

### **Saraswati Puja at JVM**

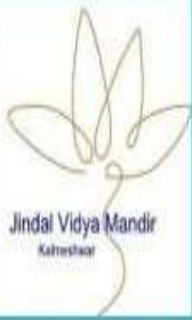

**या देवी सर्वभूतेषु विद्या रूपेण संस्थिता ... नमस्तस्यै नमो नमः**

Vasant Panchami was celebrated by worshiping Goddess Saraswati with great fervor on 14th February 2024, at Jindal Vidya Mandir, Kalmeshwar. The day marks the preparation of the arrival of the spring season.

The teachers and students gathered at the school premises to celebrate the day and recited Sarawati vandana shlok. Puja was offered to the Goddess of Learning by the Principal Ms.C.Pallavi and Ms.Nitika Agrawal. It was an attempt to preserve Indian culture, to impart and transfer a sense of respect towards long established traditions in generations ahead.

The celebration concluded with the distribution of 'Prasada'. Gaiety and piety went hand in hand to leave an indelible impression on the mind of all those who witnessed the programme.

# Blessing Ceremony

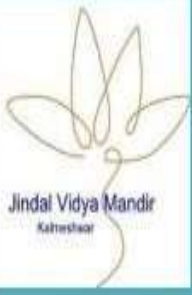

The premises of Jindal Vidya Mandir echoed with the blessings, when the Jindalites came together to bid adieu to the outgoing 2023-24 batch of Grade X. It was a morning of mixed emotions for everyone to witness the official send-off for the students of Grade X at the Valedictory Ceremony. The day was a fiesta devoted to the years spent together with friends and teachers to reminiscence joyous moments. Students of Grade IX organized a farewell party with great enthusiasm and endeavoured to leave a trail of nostalgia.

The event was graced by the presence of the Chief Guest Ms. Ashu Jain, President, Akansha Ladies Club, who made this event more cheerful by her presence.

The Farewell was the roller-coaster ride of emotions. It started with energetic dance performances followed by a skit wherein the students extended best wishes for the board exams. The celebration also included fun games, cultural presentations, experience sharing by the outstanding students and so on.

Mst.Raghwan Khatediya was titled as Mst. JVM and Miss.Srujan Mahajan was titled as Ms.JVM for the session 2023-2024. From the State board Mst.Prathamesh Watkar was titled as Mst. JVM and Ms.Aditi Dharpal was titled as Ms.JVM of session 2023-2024.

“Never buy gold, simply earn it.” - Mary Kom

A Day that encourages active participation in sports, promoting physical health and combating issues like obesity and sedentary habits is "Sports Day". Involvement in team sports teach students teamwork, cooperation, and unity, skills transferrable to academics and future careers. Aiming the same, the annual sports day for Early Childhood Care and Education (ECCE) of Jindal Vidya Mandir was held on February 27, 2024 which showcased the talents and competitive spirit of our students. A diverse range of sporting events were organized that included traditional track and field competitions, relay races, hurdle race, sack race, etc. Students from all age groups enthusiastically participated in the events, showcasing their athletic vigor and team spirit. The sports day attracted a large audience, including parents and guardians. Their presence and encouragement uplifted the spirits of the participants and amplified the zeal of the occasion. Parents also participated in the event along with children. The active involvement of our dedicated staff members added to the energy and excitement of the sports day. Teachers served as mentors, coaches, and referees, providing guidance and support to the participants throughout the event. The event culminated with a prize distribution ceremony, in which participants were rewarded with medals and certificates for their outstanding performances and sportsmanship.

Miss Chetna Karan of Grade VIII and Mast. Atharva of Grade VII conducted the program and Miss Himani Chauhan, PGT English, proposed the Vote of Thanks. Overall, the annual sports day at the ECCE was a memorable and enriching experience for all involved and became a success with the efforts of JVM teachers and students.

# Shivaji Jayanti Celebration

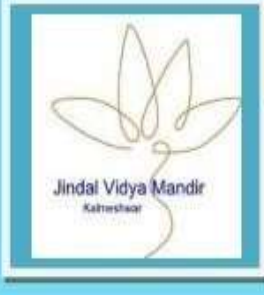

The students of Jindal Vidya Mandir celebrated Shivaji Jayanti with great pride and honor. They commemorated his birth anniversary by conducting a special assembly in the school premises. The student of Grade IIA, Mast.Viraj Shirpurkar , disguised himself as Shivaji Maharaj and performed declamation. Miss Hasri Upase, from Grade IX , shared information about his life journey.

The special assembly conduction aimed to throw light on the life and achievements of the great Maratha leader Chatrapati Shivaji Maharaj.

Jindal Vidya Mandir celebrated National Science Day 2023-24 through various activities such as science exhibition, talk show with Sir C. V. Raman, teaser on "Science in everyday life" and an awareness session and Poster making competition based on theme 'Chemistry from Indian Kitchen for human health'.

The Model making competition commemorating National Science Day was held for three different categories ( Category A -Grade III and IV, Category B- Grade V and VI, Category C- VII and VIII). Total 81 models were represented by 147 students of Jindal Vidya Mandir, Kalmeshwar, from grade III to VIII. The theme of the exhibition was 'Indigenous Technologies for Viksit Bharat'

The poster making competition was also organised for students of grade VIII and IX on the same topic. Further, students of grade V to IX of Jindal Vidya Mandir, Kalmeshwar, were also involved in making teaser to show facts behind their various day to day life's observations such as formation of rainbow, ice floating over water, presence of bubbles in fermented batter of various food items like idli, etc.

A special assembly was also held on 28th February 2024 to celebrate National Science Day. As part of the assembly, students of Grade III to IX attended the talk show with Sir C. V. Raman. Harshal Ikhar (VIII A) played the role of Sir C. V. Raman and Nirmal Parmar (VII A) was the host of the talk show. Students asked various questions to Sir C. V. Raman about his life, birth place, Nobel Prize Award and Bharatratna Award, etc. This helped the students to have a glance on the journey of his life and various inventions.

## **KNOCK! KNOCK! CLASS Xth**

"Life is an exam where the syllabus is unknown and question papers are not set. Moreover, there are no model answer papers" said Sudha Murthy. Reading her words, I am sure you all are going to be thankful of the position you currently stand at.

Well during my class X th I remember cursing every entity around me who talked of my studies and syllabus but Murthy's words today make me ponder and feel thankful, firstly, to CBSE for specifying a syllabus for class Xth examination. Secondly, to the reference guides , multiple model question papers, internet and what not for gearing me up for my boards. Above all, today years later Murthy's words make me obliged to my school and teachers as well who conducted multiple assessments and pre board exams, that today I feel I was nothing less than a soldier holding all the ammunitions , ready for the war screaming "High sir".

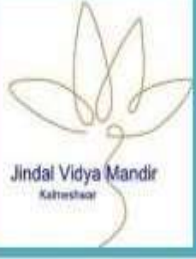

Well that was about me , but is it not the same for you? Dear students, with immense resources around you, latest and authenticate information available at the tap of the finger, with 2 pre board results in your lap, with multiple assessments and numerous model question papers available in your drive and with the bramhastra "NCERT textbook" in your bags, I believe each one of you is well equipped and ready for the D-day. Today when all the eyes are set on you, do not be bottled up with pressure because you are at the best position and only calmness, practice and recapitulation will make you walk miles. Trust me, when I say you are well equipped for this battle, your last minute preparations should include only sincere Practice. This is the last leg and let us leave no stone unturned and be thankful for everything. Especially for the fact that this is not that Life's unseen battle for they are also to be win in the long run and remember, the X th boards is not a battle it is just an examination.

All the best, make the most of every second, fetch good marks only to be told with pride to your children 😊. Let's smash their pride when they ask "Apko kitne marks mile the?"

Ms Himani Chauhan, PGT English

### बोला मराठी .....वाचा मराठी..... लिहा मराठी .....ऐका मराठी ....तरच वाचेल माय मराठी माय मराठी...

खरे तर जोपर्यंत मराठी भाषा व्यवहारात वापरणार नाही तोपर्यंत भाषेला दर्जा प्राप्त होणार नाही . आपण रोजच्या व्यवहारात अर्धी हिंदी, अर्धी मराठी ,काही इंग्रजी असे शब्द ऐकतो. पण सलग मराठी बोलण्याचा प्रयत्न केला तर आपल्याला शब्द आठवावे लागतात.

खरे तर मला स्वतःला हा प्रश्न पडतो की, ही परिस्थिती का झाली? त्यावर थोडा विचार केला तर लक्षात येतं की प्रसार माध्यमांचा आपल्या मनावर खूप प्रभाव पडलेला आहे. कोणी मराठी बोलत असेल तर एकदम तुच्छ आहे किंवा आपण त्याला कमी लेखतो. हिंदी किंवा इंग्रजी बोलत असेल तर बापरे! तो खूप विद्वान आहे असा समज झालेला आहे. यामुळेच आपली माय मराठी मागे होत चालली.

मराठी भाषेत एकूण 48 वर्ण असून त्यात 34 व्यंजने आणि 14 स्वर आहेत. यातील ८ हे अक्षर तामिळ भाषेतून घेतलेले आहे. पूर्वी मराठीत विरामचिन्हे नव्हती, ती आपण 1860 मध्ये इंग्रजी भाषेतून मराठीत आणली. पूर्वीचा म्ह-राठी हा शब्द अपभ्रंश होऊन साधा, सोपा ,सरळ मराठी हा शब्द अस्तित्वात आला. मराठी भाषा ही फार लवचिक आहे. ती पावला पावलावर बदलत असते.

आपण सर्वांनी प्रमाण मराठी भाषा बोलायला शिकले पाहिजे. घरी सर्वांनी मराठी बोलली पाहिजे , ज्यामुळे मुलांचा मराठी शब्दांचा शब्दसंग्रह वाढेल.

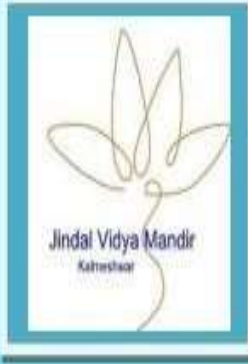

**\*\*लाभले आम्हास ,भाग्य बोलतो मराठी**

जाहलो खरेच धन्य, ऐकतो मराठी

धर्म, पंथ, जात एक जाणतो मराठी।\*

ज्योत्स्ना रणधीर

गया वाला समय वापस तो आएगा नहीं.  
सब दोस्त बिछड़ जाएंगे वापस तो आएगा नहीं कोई.  
कैसे करो जी भर , के रो लू यही.  
कुछ भी कर लो ऐसा प्यार स्कूल मिलेगा नहीं कहीं.  
टीचर ने इतना प्यार दिया, तो कभी डाटा हमें  
उनके डाट में भी प्यार छुपा था कहीं.  
हमारे दिल से उनकी याद अब जाएगी नहीं.  
दिन रात एक करके पढ़ाई की बड़ी-बड़ी.  
फेयरवेल के बाद परीक्षा की आई घड़ी.  
परीक्षा का पेपर भी हमारे साथ खेल खेल रहा था.  
किसी का जवाब आता , तो किसी का नहीं आता था.  
न जाने मेरे सामने वाला दोस्त  
बड़ी ही तेजी से बिना रुके लिखते जा रहा था  
लिखने जा रहा था लिखने जा रहा था.  
बाहर जाकर दोस्त से पूछा  
यार एक ही टीचर , एक जैसी बुक , एक जैसी पढ़ाई ,  
फिर भी पेपर के वक्त हो जाती है गड़बड़ी.  
सब कुछ एक जैसे होने से नहीं होता.  
खुद मेहनत नहीं रही तो , कोई कामयाबी नहीं पता.

मां बाप ने पढ़ने के लिए भेजा यहां से पढ़ कर ही जाऊंगा.  
नहीं तो उनकी मेहनत पैसा बर्बाद हो जाएगा.  
यह दोस्त एक बात ध्यान में रखना.  
हमारा भला सोचने वाले हमारे दुश्मन नहीं होते हैं  
हमारा भला सोचने वाले हमारे दुश्मन नहीं होते हैं.  
टीचर के लिए तो बच्चे एक समान ही होते  
टीचर के लिए तो बच्चे एक समान ही होते  
एक समान ही होते  
एक समान ही होते.
