From Principal's Desk:

Namaskar...!

"The destiny of the Nation, is shaped inside the classrooms!"

This quote puts forward the importance of teachers as Nation builders for they prepare the youth of the society with knowledge, skills, and right attitude to become productive future citizens. Their dedication is crucial in shaping the future generations and in the making of a knowledgeable society.

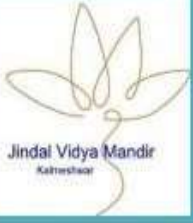

With immense joy and respect, the students acknowledged the role of the teachers and celebrated National Teachers day with pride. We are grateful to them.

The month of September also witnessed an array of inter house activities that commemorated "Rashtra Bhasha Hindi Saptah" including the exposure of students in various inter school competitions.

We encourage the staff and students to thrive for excellence in the journey of learning and evolving and chase the continuum of perfection.

I congratulate the entire team for accomplishing yet another calendar month successfully and extend best wishes for the future endeavours.

Ms. Pallavi Chakkilala
Principal

How was your Day Today?

Did anybody smile as you passed through their way?

Or your gestures were sorrowful keeping everyone away;

Now that the sun has set, the toil for the day has ended;

Did you leave the drop of happiness throughout the day?

Tonight as you close the eyes and on the bed you lay;

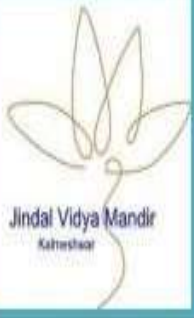

Will the God and your content heart say, "oh you have earned
one more day, through your deeds of today."

Remember to be wise and nice today and everyday;

because there is no button of replay.
