### **From Principal's Desk:**

**Dear Students & Parents,**

As the monsoon rains refresh our surroundings, the month of August arrived, bringing with it a vibrant blend of national pride, cultural celebrations, and academic pursuits. The school campus had been a hub of activities designed not only to honor our rich heritage but also to foster a spirit of unity and creativity among our students. The most significant celebration of the month was Independence Day that was marked with flag hoisting ceremony, a solemn occasion that fills us with a deep sense of patriotism. The students showcased their talents through a series of presentations that recounted the sacrifices of our freedom fighters.

In a row, for Raksha Bandhan festival, Students were engaged in ecofriendly rakhi-making activity to create beautiful, handcrafted rakhis, which were offered to the Soldiers of the Nation. Well done Children!

The festive spirit continued with Janmashtami, which observed student's participation in dahi handi and skits depicting the stories of Krishna's childhood. These celebrations are an excellent way to introduce our students to Indian mythology and culture and celebrate the rich heritage of the country.

As a team we are grateful towards the Management and our parents for their support towards the development of the school, staff and students.

Together we shall continue to celebrate children, learning and successes.

**Warm regards,**

**Pallavi Chakkilala**

## *Student Poetry Corner : Verse Vibes*

Miss. Yukta Ghaiwat  
Head Girl

Life is so unpredictable.

You go for a vacation, and terrorists shoot you.  
You go to a trophy parade and it ends in a stampede.  
You go in a flight for work/vacation, and it crashes.  
You are studying in your hostel, and the plane falls on  
you

Life just finishes in a flash.

No warning, no script.

One moment you're dreaming, the next you're a  
memory.

Celebrate every moment when u are alive

Leave lovely memories behind .

Always be good! .

Always behave good!

Always speak good!

Magic of a friend ✨

We dream, and on silly - silly things ,

We sometimes fight but make it before the night, it  
makes our bond tight

You stady voice that stands so tall

No matter what the situation is you are always with me  
just like Star with moon

You are my first priority

You are my first step to success just like flower for  
making fruit

Dear friend you are just like diamond on my ring

You bring light to all my way

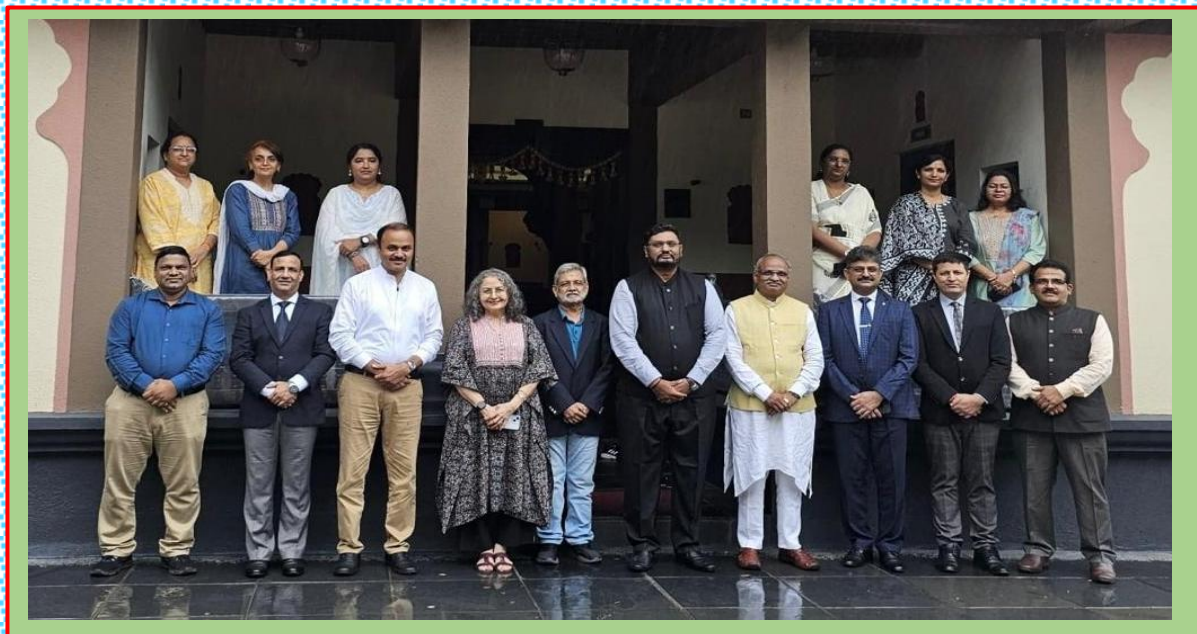

True friendship is a gift that not everyone can claim

Miss Saachi Khandar  
Grade IX
