Recipient of "International Dimension in Schools" by British Council.

From Principal's Desk:

Dear Parents and Students,

As we conclude November, I am filled with immense pride and gratitude for the dynamic spirit and commitment shown by our students, staff, and parents throughout this busy month. The period has been marked by deep community engagement, celebration of our civic values, and outstanding achievements.

We celebrated our young learners on Children's Day, November 14th. This day was dedicated entirely to fun, laughter, and fostering the inherent curiosity and potential in every child. Following this, the visit of the Mobile Exhibition by the National Book Trust India was a tremendous success. The exhibition transformed a corner of our campus into a vibrant literary hub, giving our students access to a diverse collection of books and nurturing a lifelong love for reading—a cornerstone of all education.

The National Constitution Day was marked on November 26th, where the assembly and class discussions focused on the importance of the Constitution, instilling in our students an appreciation for the values of democracy, justice, and liberty that guide our nation. It is vital that we continue to educate our young citizens about their rights and responsibilities.

Finally, I must specially acknowledge and celebrate the remarkable achievements of our students in sports. We are incredibly proud to announce the selection of our students into the highly competitive JSW Satellite Academy that prepares players for Bengaluru Football Club. We look forward to tracking their continued growth in the academy and wish them the very best in their sporting careers.

Thank you to everyone for the ongoing support and for partnering with us to create a thriving and well-rounded environment for our children.

With warm regards

Pallavi Chakkilala
