From Principal's Desk:

Dear Parents and Guardians,

As the sun sets on 2025, we find ourselves at a beautiful vantage point, looking back at a year defined by resilience, growth, and remarkable achievement.

At the outset, I am grateful towards all our stakeholders for their benevolent support, trust and encouragement in all the endeavours of the institution. The last month of the calendar will be remembered for our Annual Day "Prayas" that was a spectacular showcase centered on the Sustainable Development Goals (SDGs). It was moving to see our students use the stage to advocate for climate action, equality, and peace, reminding us all that the future is in very capable hands. Our children also brought home laurels as they displayed exemplary sportsmanship and grit in recent sports tournaments. Another milestone included, the commemoration of National Energy Conservation day under the guidance of JSWSCPL and National Mathematics day. It was heartening to see our youngsters proposing practical solutions to reduce our carbon footprint within the school and at home. The Inter-House Carol Competition filled the hearts with festive cheer. The harmony on stage was a perfect reflection of the unity and diversity that define our school culture. As we bid farewell to this year, I want to express my deepest gratitude to our School Management. Their visionary leadership and commitment to providing a holistic learning environment are the foundation of everything we achieve. To our Parent Community; thank you for your unwavering trust and partnership. Your support is the wind beneath our wings, and it is your belief in our team that allows us to innovate and excel. As we stand on the threshold of a New Year, we welcome 2026 with open arms and renewed vigor. May the coming year bring peace, prosperity, and boundless curiosity to all our families.

Wishing you a brilliant New Year!

Warm regards,

Pallavi Chakkilala
Principal
