August 2026 Bulletin

From Principal's Desk:

Dear Parents, Teachers, and Students,

August has been a month of extraordinary energy, reflection, and achievement across our campus.

As we pause to review the highlights of the past few weeks, I am filled with immense pride in how our school community continues to embody the spirit of excellence and unity.

Our 79th Independence Day celebrations were marked by deep reverence and enthusiasm. The morning began with the hoisting of the Tricolour, followed by a series of patriotic performances, speeches, and cultural showcases that reminded us all of the sacrifices made for our freedom and the duty we carry toward our nation's future.

Building on that patriotic spirit, we hosted our first-ever in-house Model United Nations conference (JMUN) centered on the theme "India's Journey Towards Becoming a Developed Nation by 2047." Our young delegates stepped into the shoes of global leaders and policymakers, engaging in rigorous debate, critical thinking, and collaborative resolution-drafting. Seeing our students articulate ambitious visions for India's centenary of independence demonstrated the depth of leadership and social consciousness growing within our classrooms.

Beyond these major events, the month was packed with interactive classroom activities, inter-house competitions, and vibrant co-curricular engagements that allowed every student to discover new talents and refine existing ones.

As we step into September, let us carry forward the momentum of August—aiming higher, thinking broader, and supporting one another in every endeavor. Thank you to our dedicated faculty for their guidance and to our parents for their unwavering support.

Best wishes

**Pallavi Chakkilala
