June 2026 Bulletin

From Principal's Desk:

Dear Students,

A warm and hearty welcome back to each one of you as we continue our journey in the new academic session. I hope the summer break provided you all with a well-deserved opportunity to rest, rejuvenate, and spend quality time with your loved ones.

There is no greater joy for us, than seeing the school corridors and campus come alive again with your vibrant energy, bright smiles, and ready-to-learn spirits.

Learning is a beautiful, lifelong continuum, and this new month brings fresh opportunities to explore, innovate, and excel. I encourage all our students to approach their studies with renewed curiosity and determination.

In alignment with our commitment to holistic growth, June brings a wonderful opportunity to harmonize our mind, body, and spirit. On the occasion of International Yoga Day, I strongly encourage all students, staff members, and parents to actively participate in the yoga and well-being activities. Yoga is not just an exercise; it is a powerful tool to build resilience, focus, and inner peace—skills that are essential for navigating 21st-century life with grace and balance.

True academic success and personal excellence can only be built on a foundation of sound physical, emotional, and mental health. Let us promise to take care of ourselves and one another, fostering an inclusive environment rooted in empathy and mutual support.

Thank you, dear parents, for your unwavering partnership, and thank you to our dedicated staff for steering our students toward success. Together, let us make this academic year safe, healthy, and exceptionally rewarding.

Warm regards,

Pallavi Chakkilala
Principal
