Dear Parents,

Please find the above information. You are requested not to ask for any holidays/ leave permission after completion of CA-II, EVAL-II, PD-II and Tem-I Board Exams. We have very less time to complete the syllabus and it is quite an uphill task for the students if they miss their classes.

Looking at the present conducive condition of our catchment area, the school has decided to curtail the **Christmas Vacation** and **3rd Saturday** for teachers as well as students and will conduct the regular school on the same.

Please cooperate with us for getting better results in CA-III, EVAL-III, Term-II and Final Board. Once we complete the syllabus, we need to give them maximum time for self-study and also for Pre-Boards.

Hence, you are requested to keep these facts in mind and resist yourself from asking permission for outing. Your cooperation is highly expected for the benefit of our students and your wards.

Thanking You
