Dear Parents & Students

Greetings!!

Kindly note that **85% attendance is mandatory** for JVM Students to appear for Class 10 Board Exam. The student who fails to have at least 85% attendance will strictly not be allowed to appear for the Class 10 Board Examination. This attendance rule is to keep check on students performance and get outstanding results in Class 10th as they don't study at home at all.

Students cannot take leave to attend their family functions. Leave will be considered only for medical reasons by submitting a Leave Application to the Class Teacher along with required evidence like a medical certificate.

Kind request to the parents to adhere to the rules of attendance for the better performance of the students in the Board Exam.
