Safety Standards as per

Weekly Bulletin <

Is Your Child Future Ready?

Imagine the world in 2040 and the challenges it will throw up. Will Children be ready for this world?

? Impact of climate change

? More choices & greater uncertainty

? Dependence on intelligent machines

? Deep involvement of technology

? New ways of human interaction

? Evolving sensitivity towards cultures, genders, races etc

What Does The 21st Century Mean For Your Child?

The world is changing, and children of today will meet new challenges in the world of tomorrow.

Collaboration

They will need to know how to work together to reach a goal

Critical Thinking

They will need the ability to solve problems

Communication

Fluency to share thoughts and ideas is crucial for success

Creativity

They must possess the ability to imagine, express and innovate

Confidence

They must feel self-assured and secure in their own capabilities

Compassion

Empathy and kindness are highly valued skills needed to lead

21st Century Readiness Curriculum: Our Pedagogy

Crafted by experts in the field of early years education, Intelli-C is a blend of the suggested practices of philosophers and world-renowned Pedagogues - Dr. Heckman, Piaget, Montessori & Froebel. Creating realistic, interactive and sensory -stimulating learning experiences for the child.

Play Way Method

Activity Based Learning

Learning By Doing

 **Google Reviews**
★★★★★ 4.9 (29461 reviews)

One of the best and safest places for children to learn and play, offering well-equipped facilities, supervised environments, and opportunities for physical activity, social interaction, and cognitive development.

SB Sushma Bagali
★★★★★

Excellent school, well organised, Good infrastructure, Warm staff, very nice planned and organised Academic programme. A safe learning environment for students and mostly you'll improve your English!..
