

## Mission Apnatva—Phase II

- Under Community Outreach , phase II of Mission Apnatva was undertaken on Friday 10<sup>th</sup> Dec 2021.
- Forward Bloc ( Ms Anuja, Ms Archana , Ms Ashwini , Ms Nishi and Ms Swati), Mr Sandeep along with the student representatives ( Ms Suchismita Behera, Ms Kanishka Balayan, Ms Gargi Dhanavade ,Ms Sarit Chaulkar and Mast Vaibhav Singh ) and Group D representative (Mr Rakesh) went to the Adivasi Pada -Sumbradevi (Tal -Mazgaon).
- Teachers and students initially did the survey of the condition of people living over there, their houses, schooling facilities, employment etc.
- There were around 30-35 huts built with bamboos and mud with no electricity in some of the houses. The small children we found were under nourished with no clothes. Due to Covid the schooling of the children was fully affected. Unemployment level seemed to be high. They were daily wage labourers. We also observed that some houses there were teenage mothers with 2-3 children. There was lack of basic amenities to the people.
- So Jindal Vidya Mandir, Salav has taken the initiative by giving them a small token of help by distributing the Nutritional things-food items to these deprived people.
