**“JET LEADERSHIP-2024“ Transformation good to being great”**

Dear Readers  
Greetings!

As we conclude the academic year 2024, we would like to take this opportunity to express our heartfelt gratitude to each of you for your unwavering support and trust in Jindal Vidya Mandir, Sholtu. It is because of your commitment and encouragement that we have been able to successfully accomplish yet another year of growth and achievement. Your involvement and partnership have been crucial in creating a nurturing and thriving environment for our students. Whether through your participation in school events, the encouragement you offer to your children, or your active engagement in meetings, your support has been invaluable in helping us provide the best possible education. Your engagement in these conversations reinforces the importance of our collective efforts to ensure the long-term success of our school.

**Upgradation of School Infrastructure** We have undertaken significant improvements in our school infrastructure, creating an enriched and more modern environment for our students. These upgrades include the enhancement of classrooms facilities, laboratories, Oil Heaters, whiteboards, addition of advanced technology tools to support academic and extracurricular activities etc.

**Academic Excellence** Our commitment to academic excellence has resulted in consistently outstanding performance by our students. The dedication of our teaching faculty and the hard work of our students have contributed to a marked improvement in academic outcomes. We continue to focus on personalized learning, helping each student reach their full potential.

**NCC, BS&G, AFS, and other Partners** We have created the platforms to the children for holistic development by working in collaboration with national & international institutes which focus on the development of leadership, team-building, and global awareness. National Cadet Corps (NCC), the Bharat

Scouts and Guides (BS&G), and the American Field Service (AFS) programs allows our students to engage in community service, leadership training, and cultural exchange . Through these offerings we encouraged students to participate in various events to promote physical fitness, mental toughness, discipline and teamwork.

ABVIMAS Our participation & partnership with Atal Bihari Vajpayee Institute of Mountaineering & Allied Sports has been a great success. This program focuses on providing best training facilities to the youth to enable confidence gain, generate self-employment, strengthen national integration and promote international understanding, quality assurance, and effective leadership in schools, ensuring that every aspect of school life is aligned with the highest standards.

School Management Committee & Parent Teacher Association We would also like to extend our heartfelt gratitude to the members of the School Management Committee (SMC) and the Parent-Teacher Association (PTA) for their continued support throughout the year. During our meetings, we discussed several critical aspects of the school's financial sustainability. In session 2024-2025, SMC has supported school to manage the financial aspects of the school. This investment was crucial in maintaining the quality of education, infrastructure, and extracurricular programs that our students deserve. In the academic session 2025-2026, JVM Sholtu will seek the support of School Management/Plant Management to provide additional support against the deficit budget, despite the revised fee structure.

#### ISO 21001:2018 Certification

We are proud to announce that our school Jindal Vidya Mandir, Sholtu has been awarded the ISO 21001:2018 Certification. This internationally recognized standard for educational organizations demonstrates our commitment to providing a high-quality learning environment.

Achieving this certification underscores our dedication to continuous improvement, quality management systems, and meeting the needs of our students, parents, and the broader community. It also aligns our school with global best practices, ensuring that our educational services are of the highest standards.

Children Science Congress, Math Olympiad, Fun Fair and Extracurricular Activities We are extremely proud to announce that our students have won multiple prizes at the Children Science Congress & Math Olympiad, that encourages young minds to explore and innovate in the field of science and Mathematics. Our student stood out for their creativity, scientific rigor, and practical applications, reflecting their deep understanding of scientific principles and their ability to think critically. These accolades highlight the strength of our science curriculum and the dedication of our students and faculty. Their success in this prestigious competition is a testament to their hard work, dedication, and the comprehensive math program we offer at Jindal Vidya Mandir, Sholtu. The annual Fun Fair was a resounding success, offering a vibrant platform for students, parents, and teachers to interact, participate in games, and enjoy a day of celebration. These achievements are not only a source of pride for our school but also a reflection of the talent, commitment, and support of our students, teachers, and parents. We congratulate all the winners and thank you for your continued support in helping them reach their full potential. As we continue to provide opportunities for our students to shine, we are confident that these successes will inspire others to pursue excellence in academics and beyond. Thank you for being an essential part of our journey. We look forward to another fruitful year of growth, learning, and success. Once again, thank you for your constant support. Together, we can continue to create an environment where our students thrive and reach their fullest potential.

Warm regards Principal, JVM Sholtu

# EDUCATORS EMPOWERED DEPARTMENT MEETINGS

In a bid to foster a collaborative environment and drive student success, department meetings were convened with Heads of Department (HODs) and teaching staff. These meetings served as a platform to discuss and align on key aspects, including:

- Syllabus completion for Annual Exams (Nursery to VIII)
- Correction status of books and notebooks
- Preparations for PARAKH exams (classes 3, 6, and 9)
- Annual Exams question papers and strategies for improvement
- Support mechanisms for below-average students
- Pre-Board and Board exam preparations for classes IX-XII, including revision strategies and timelines

The meetings also facilitated a review of syllabus coverage, discussion of challenging topics, and sharing of effective revision strategies. By fostering a unified approach, the teaching staff is now better equipped to support students in achieving their best performance in the Annual Exams and Board exams. Action plans were formulated and will be implemented to drive student success.
