🌱 Holistic Development of a Child

Role of School • Home • Parents • Teachers
• Society

“It takes a village to raise a child.” — African Proverb

Education is no longer limited to textbooks, memorization, and examinations. **True education develops the whole child**—intellectually, physically, socially, emotionally, and morally.

A child is more than a report card. Every child **dreams, creates, feels, and learns differently**. To nurture confident, empathetic, resilient, and responsible citizens, we need a strong partnership between **school, home, parents, teachers, and society**.

🏠 Role of Home

Home is the first school, and parents are a child's first educators. A loving and supportive home builds **values, confidence, emotional security, discipline, and life skills**.

🎒 Role of School

Schools provide a safe and inclusive environment where children learn through **academics, sports, arts, teamwork, creativity, and real-life experiences**.

👨👩👧 Role of Parents & Teachers

Parents and teachers must work as a **united team**. Regular communication helps them understand a child's **strengths, challenges, interests, and emotional needs**. Consistency between home and school gives children stability and confidence.

🎮 Beyond Academics

Children need opportunities to **play, create, explore, communicate, and lead**. Parents can support these experiences by encouraging healthy habits, outdoor activities, hobbies, and responsible use of technology.

🌍 Role of Society

Children grow within the wider community. **Safe neighborhoods, libraries, parks, sports clubs, media, and cultural spaces** shape their attitudes and values. A caring and inclusive society helps children practice **responsibility, respect, and social awareness**.

🤝 Our Shared Responsibility

Holistic development is a **shared journey**. When school, home, parents, teachers, and society work together, children are better prepared not only for **professional success**, but also for a **happy, balanced, responsible, and meaningful life**.

🌟 **Let Us Work Together to Nurture the Whole Child!**

असफलता से सीखना।

कोशल्या देवी

सुप्रभात!

मैंरे प्यारे बच्चों—आप सभी को मेरा सादर नमस्कार।

आज मैं आपसे एक बहुत महत्वपूर्ण विषय पर अपने विचार साझा करना चाहती हूँ—“असफलता से सीखना।

”बच्चों, हम सभी जीवन में सफल होना चाहते हैं। हम चाहते हैं कि हमें हर काम में सफलता मिले। लेकिन क्या हर बार हमें सफलता मिलती है? नहीं। कभी-कभी हम मेहनत करने के बाद भी असफल हो जाते हैं। परीक्षा में अच्छे अंक नहीं आते, प्रतियोगिता में हम जीत नहीं पाते या हमारी कोई कोशिश सफल नहीं होती। लेकिन याद रखिए—असफलता अंत नहीं है, बल्कि सफलता की ओर बढ़ने का एक अवसर है। मैं आपको एक छोटी-सी कहानी सुनाना चाहती हूँ। एक बच्चा था। उसे साइकिल चलाना सीखना था। वह साइकिल पर बैठा और कुछ दूर चलाने के बाद गिर गया। उसने दोबारा कोशिश की, फिर गिर गया। तीसरी बार भी वह गिरा। वह बहुत निराश हुआ और बोला, “मुझसे साइकिल कभी नहीं चलेगी।” तभी उसके पिता ने उससे कहा, “बेटा, तुम हर बार गिर नहीं रहे हो। तुम हर बार यह सीख रहे हो कि अगली बार क्या नहीं करना है।” बच्चे ने फिर कोशिश की। उसने अपनी गलतियों को समझा, संतुलन बनाया और कुछ दिनों बाद वह बिना सहारे साइकिल चलाने लगा। बच्चों, यही जीवन का सच है। गलती हमें रोकने के लिए नहीं, बल्कि हमें बेहतर बनाने के लिए आती है। अगर हम असफल होते हैं तो हमें खुद से तीन प्रश्न पूछने चाहिए—पहला—मुझसे कहाँ गलती हुई? दूसरा—मैं अपनी गलती से क्या सीख सकता हूँ? तीसरा—अगली बार मैं क्या बेहतर करूँगा? याद रखिए—“गिरना बुरा नहीं है, गिरकर न उठना बुरा है।” एक असफल परीक्षा आपको कमजोर विद्यार्थी नहीं बनाती। एक हारी हुई प्रतियोगिता आपको कमजोर इंसान नहीं बनाती। असली हार तब होती है जब हम कोशिश करना छोड़ देते हैं। इसलिए, बच्चों, जब भी जीवन में असफलता मिले तो निराश मत होना। अपनी गलतियों को पहचानिए, उनसे सीखिए और पहले से अधिक मेहनत के साथ फिर प्रयास कीजिए। अंत में मैं आपसे बस इतना कहना चाहूँगी—“असफलता से मत डरिए, क्योंकि असफलता हमें वह सिखाती है जो सफलता कभी नहीं सिखा सकती।

”धन्यवाद! आपका दिन शुभ और सफल हो।

Teachers' Day Celebration – Celebrating Our Guiding Lights

Teachers' Day was celebrated with **great joy and enthusiasm** in our school. The programme was thoughtfully organized by the students to express their **love, gratitude, and respect** towards their teachers.

The celebration began with a **warm welcome and ribbon-cutting ceremony**, followed by a variety of entertaining activities. The teachers enthusiastically participated in **fun-filled games**, creating a lively atmosphere filled with laughter and happiness.

Students also presented **songs, dances, speeches, and special performances** as a heartfelt token of appreciation. The celebration concluded with **cherished memories and smiles**, as teachers appreciated the sincere efforts of the students.

The event beautifully reflected the **strong bond between teachers and students**, making the occasion truly special. It was a wonderful reminder of the **important role teachers play in shaping young minds and inspiring future generations**.

✦ A memorable day celebrating the teachers who inspire us to learn, grow, and shine! 📖❤️🌟

Our Young Boxers Bring Laurels to the School

We are delighted to share the outstanding achievement of the girls of our school from Classes VI, VII and VIII, who participated in the Under-14 Girls Boxing Tournament held at Jhangi. With remarkable determination, confidence and sportsmanship, our young boxers showcased their talent and brought great pride to the school. The students performed exceptionally well and won Gold, Silver and Bronze medals in their respective categories. Their impressive performance reflects their hard work, discipline, dedication and commitment to excellence. This achievement is a matter of immense pride for the entire school community. The young champions have brought laurels to the school and have set an inspiring example for their fellow students. Their success proves that with sincere effort, courage and perseverance, every goal can be achieved. We congratulate our talented boxers and their coaches on this wonderful accomplishment and wish them continued success in all their future competitions.

A Letter to Mother Earth: My Promise to Protect Mother Nature

Students from **Classes III to XII** enthusiastically participated in a letter-writing activity organized in collaboration with the **Indian Postal Department**. Through their heartfelt letters to **Mother Earth**, students expressed their concern for the environment and shared meaningful promises to protect nature, conserve resources, reduce pollution, and promote a greener and healthier planet.

The activity encouraged students to **reflect on their responsibility towards nature** and inspire others to adopt eco-friendly habits. Their thoughtful messages beautifully reflected their **love for Mother Earth and commitment to building a sustainable future**.

MORNING ASSEMBLY – TEACHER’S TALK

Topic: Values & Character

Good morning, Students.

Today, I want to talk about something that no examination can directly measure, but which matters more than marks — **your character**. People may forget your marks and certificates, but they will remember **how you treated others, whether you were honest, kind, and trustworthy.**

| **“Talent may get you noticed, but character earns you respect.”**

There are **four values** I want you to practice every day:

First — Honesty: Always speak the truth, even when it is difficult. Be truthful in your words, your work, and your actions.

Second — Respect: Treat everyone with dignity — your teachers, classmates, helpers, and security guards. True character is shown by how we treat others.

Third — Kindness: A kind word or a small act can completely change someone’s day. Never underestimate the power of kindness.

Fourth — Responsibility: Accept your mistakes, learn from them, and have the courage to do better. Do not blame others for your failures.

Remember, **good character is not built in one day**. It is built through the small choices we make every day — choosing honesty over excuses, kindness over criticism, and responsibility over blame.

Do the right thing, even when nobody is watching. That is when your true character is revealed.

Remember, **success is not only about what you achieve, but also about the person you become along the way.**

Let your **words bring hope, your actions show kindness, and your character inspire others.**

Your values guide your choices, your choices shape your habits, and your habits shape your future.

So, ask yourself today:

“Am I becoming the kind of person I would be proud to be?”

Marks may change and certificates may fade, but your character stays with you for life.

Be honest. Be kind. Be respectful. Be responsible.

Let your character be your greatest achievement.

Thank you,

Mr. Kishori Lal (PGT Mathematics)

⚡ Effects of Electric Current: Hands-On Learning

Class 8 students explored the Effects of Electric Current through hands-on activities. They demonstrated its heating, magnetic, and mechanical effects by creating a lemon battery, potato battery, and electromagnet. These activities helped students understand the practical applications of electric current through experiential learning.

Learning Beyond the Classroom

Student Creativity Corner

The **Student Creativity Corner** is a vibrant space that celebrates the imagination, talent, and unique ideas of our students. It provides an opportunity for students to showcase their artwork, sketches, projects, innovative ideas, and creative expressions. Through creativity, students learn to think differently, express themselves confidently, and explore their hidden talents. This space encourages curiosity, originality, and a love for learning. **Every creation reflects a unique thought, a creative mind, and the joy of learning.**

CREATIVE MIND NEVER STOPS

विनम्रता

विनम्रता मनुष्य के व्यक्तित्व का सच्चा आभूषण है। यह हमारे व्यवहार को सुंदर बनाती है और हमें दूसरों के प्रति सम्मान, प्रेम और सहानुभूति रखना सिखाती है। विनम्र होकर हम नई बातें सीखते हैं, अपनी गलतियों को स्वीकार करते हैं और दूसरों के अनुभवों से ज्ञान प्राप्त करते हैं। भारतीय संस्कृति में बड़ों को प्रणाम करना, उनका आशीर्वाद लेना और उनका सम्मान करना विनम्रता की सुंदर परंपरा है। प्रार्थना, सेवा, सहायता और दान जैसे कार्य हमारे मन से अहंकार को दूर करते हैं तथा हमें अधिक संवेदनशील और सहृदय बनाते हैं। **कहा गया है—“जो नम्र होकर झुकते हैं, वही जीवन में ऊँचा उठते हैं।”** जैसे तेज बहाव में कठोर पेड़ उखड़ सकते हैं, जबकि कोमल पौधे झुककर स्वयं को बचा लेते हैं, वैसे ही विनम्र व्यक्ति कठिन परिस्थितियों में भी धैर्य और समझदारी से आगे बढ़ता है।

विनम्रता कमजोरी या कायरता नहीं, बल्कि **शांति, सहनशीलता और आंतरिक शक्ति** का प्रतीक है। विनम्र व्यक्ति दूसरों की भावनाओं को समझता है, उनकी पीड़ा को महसूस करता है और आवश्यकता पड़ने पर उनकी सहायता के लिए आगे आता है। वह सफलता मिलने पर घमंड नहीं करता और असफलता आने पर दूसरों को दोष नहीं देता। बाबा फरीद ने एक अहंकारी राजा को समझाया था कि **तलवार लोगों को पराजित कर सकती है, लेकिन विनम्रता उनके दिलों को जीत सकती है।** यह हमें सिखाता है कि वास्तविक विजय दूसरों पर अधिकार पाने में नहीं, बल्कि प्रेम और अच्छे व्यवहार से उनके दिल जीतने में है। अहंकार मनुष्य को अकेला करता है, जबकि विनम्रता उसे परिवार, समाज और कार्यस्थल में सम्मान और अपनापन दिलाती है। विनम्रता हमें सिखाती है कि **हर व्यक्ति से कुछ न कुछ सीखने को मिलता है।** यह हमारे शब्दों में मधुरता, व्यवहार में सरलता और हृदय में करुणा उत्पन्न करती है। छोटी-छोटी बातों में दूसरों का सम्मान करना, अपनी गलती पर “क्षमा” कहना और दूसरों की सफलता पर प्रसन्न होना भी विनम्रता के ही रूप हैं। इसलिए हमें अपने जीवन में **अहंकार के स्थान पर विनम्रता, क्रोध के स्थान पर धैर्य और स्वार्थ के स्थान पर सेवा** को अपनाना चाहिए। **विनम्रता से मन शांत होता है, रिश्ते मजबूत होते हैं और व्यक्तित्व में वास्तविक निखार आता है।** यह हमें परिस्थितियों के साथ सामंजस्य बिठाने और जीवन की चुनौतियों का शांतिपूर्वक सामना करने की शक्ति देती है। **विनम्र हृदय में प्रेम के लिए स्थान होता है और ऐसा व्यक्ति अपने साथ-साथ दूसरों के जीवन में भी खुशियाँ बाँटता है।** अंततः सच्ची महानता दूसरों को झुकाने में नहीं, बल्कि **स्वयं विनम्र होकर प्रेम, सम्मान और सेवा के साथ जीवन जीने में है।** जीवन में जितना ऊँचा उठें, उतना ही विनम्र बने रहें—**यही सच्ची सफलता और महानता की पहचान है। ❀.....राजीव ठाकुर (शास्त्री)**

OPEN HOUSE MEET – CLASSES III - V

★ Open House: Parents, Teachers and Principal Together for Every Child's Success ★

The Open House provided a meaningful platform where parents, teachers and the Principal came together to discuss the holistic development and academic progress of the students. The Principal addressed the parents and highlighted the importance of strong collaboration between the school and families.

Through an engaging PowerPoint presentation, the teachers showcased the school's achievements and discussed various initiatives for the all-round development of students. A detailed discussion was also held on academic progress, learning outcomes and ways to further strengthen each child's educational journey.

The interaction encouraged parents to actively participate in their child's learning journey and share valuable suggestions with the school.

Parents and teachers worked together to identify ways to nurture students' talents, values, confidence and overall personality.

The Open House strengthened the bond of trust and communication between parents and the school.

It provided an opportunity to celebrate students' achievements while addressing areas that need continued support and encouragement.

With shared responsibility, positive guidance and continuous cooperation, we can help every child reach their full potential.

✦✦ Mathematics in Action: Creating a Sierpiński Carpet ✦✦

Class VIII | Mathematics Activity

Students explored **geometry, symmetry and patterns** by creating a **Sierpiński Carpet using square paper**. Through this hands-on activity, they transformed simple squares into a fascinating fractal design, developing **creativity, logical thinking and mathematical understanding**.

★ “Creating Patterns, Discovering Mathematics!”

JVM Sholtu Boxers earn State Championship Berths

11th September, 2026

It is a matter of immense pride for JVM Sholtu that our two promising young boxers, Divyanshi Chauhan and Sahiba Bano, have secured their places in the State-Level Boxing Championship (Under-17) after registering impressive knockout victories at the District-Level Tournament. We are especially proud that Divyanshi and Sahiba are children of JSWHEL employees and are pursuing their education at JVM Sholtu. Their achievement beautifully reflects the values of perseverance, excellence and holistic development that we strive to nurture in our students. Well done!!!

Their remarkable performance showcases their hard work, discipline and unwavering determination.

Their success serves as a powerful inspiration for fellow students to pursue their goals with confidence and commitment. We congratulate both young champions and their proud families on this outstanding achievement.

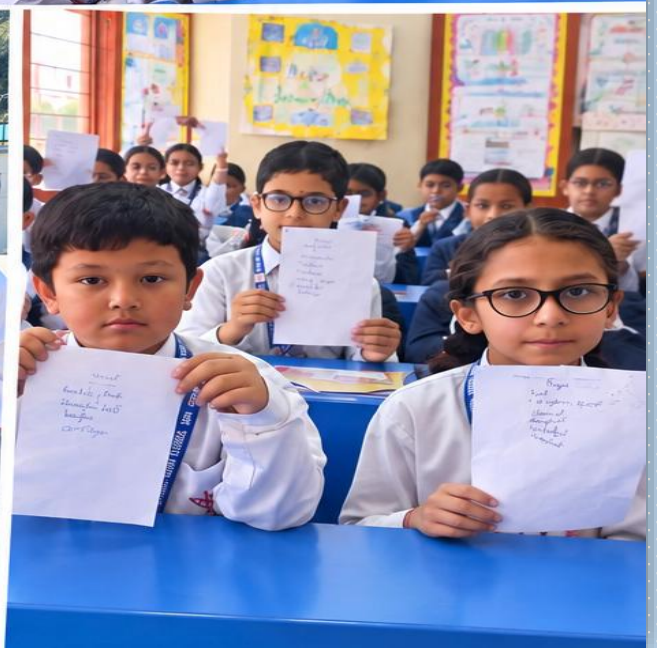

We wish Divyanshi and Sahiba the very best for the State-Level Championship and many more victories ahead!

“Friendship Footprints: Kindness, Respect & Honesty”

Class 5 Activity –Friendship Footprints.

Students taped a blank sheet to a classmate's back and went around writing one quality of friendship (like kind, honest, respectful) for each child. Afterward, everyone read out the qualities their classmates gave them. The activity helped reinforce the lesson's theme on friendship while boosting peer bonding and self-esteem in a fun, hands-on way.

Jindal Vidya Mandir Shines at CSC

The students of JVM participated in the CSC held at Bhabanagar with great enthusiasm. A team of talented students represented the school in various competitions and showcased their skills, creativity and confidence. The students performed exceptionally well and won prizes in many competitions. Their remarkable achievements brought great pride and honor to the school. The students' hard work, dedication and team spirit were highly appreciated by the teachers and organizers. The Principal congratulated the winning students and appreciated the efforts of the teachers who guided and encouraged them. The entire school community is proud of this achievement and wishes the students greater success in the future.

State-Level School Painting Competition – Wildlife Week 2026

As part of Wildlife Week 2026, a State-Level School Painting Competition was organized to provide young artists with a meaningful platform to showcase their creativity and express their thoughts on **wildlife conservation and human-wildlife relationships**. Students were invited to create artwork based on themes such as **Human-Wildlife Interaction, an individual wild animal in its natural surroundings, and groups of wild animals interacting in their natural habitat**. The competition encouraged students to observe, imagine, and communicate the importance of protecting wildlife through art. Participants from **Classes I-X used water colors or crayons**, while students of **Classes XI-XII used water colors or acrylic colors on a 12 × 18-inch sheet**. Attractive cash prizes were announced across the Primary, Middle, Secondary, and Senior Secondary academic tiers, with prizes ranging from **₹2,000 to ₹7,000**, motivating students to participate with enthusiasm and creative excellence.

✦ Exploring Mathematics Through Creativity! ✦

Glimpses of an engaging Mathematics Activity on “3D Figures and Their Nets” conducted with our enthusiastic students.

Through this hands-on, minds-on learning experience, students explored 3D shapes and discovered their faces, edges, and vertices, while creatively transforming 2D nets into 3D solid figures. 🎁

★ Learning by Doing brings Mathematics to life!

It makes concepts more engaging, enjoyable, meaningful, and memorable. 📖 ✨

National De-Worming Day – 18 September

Jindal Vidya Mandir, Sholtu observed National De-Worming Day on 18 September as part of the health initiative conducted across schools in Himachal Pradesh for children up to 19 years of age.

As part of the initiative, **Albendazole tablets** were distributed to the **students** to promote good health and help prevent intestinal worm infections. All students took the tablets **under the careful supervision and guidance of their teachers**, ensuring that the activity was carried out safely and responsibly.

Healthy Children • Healthy School • Healthy Future

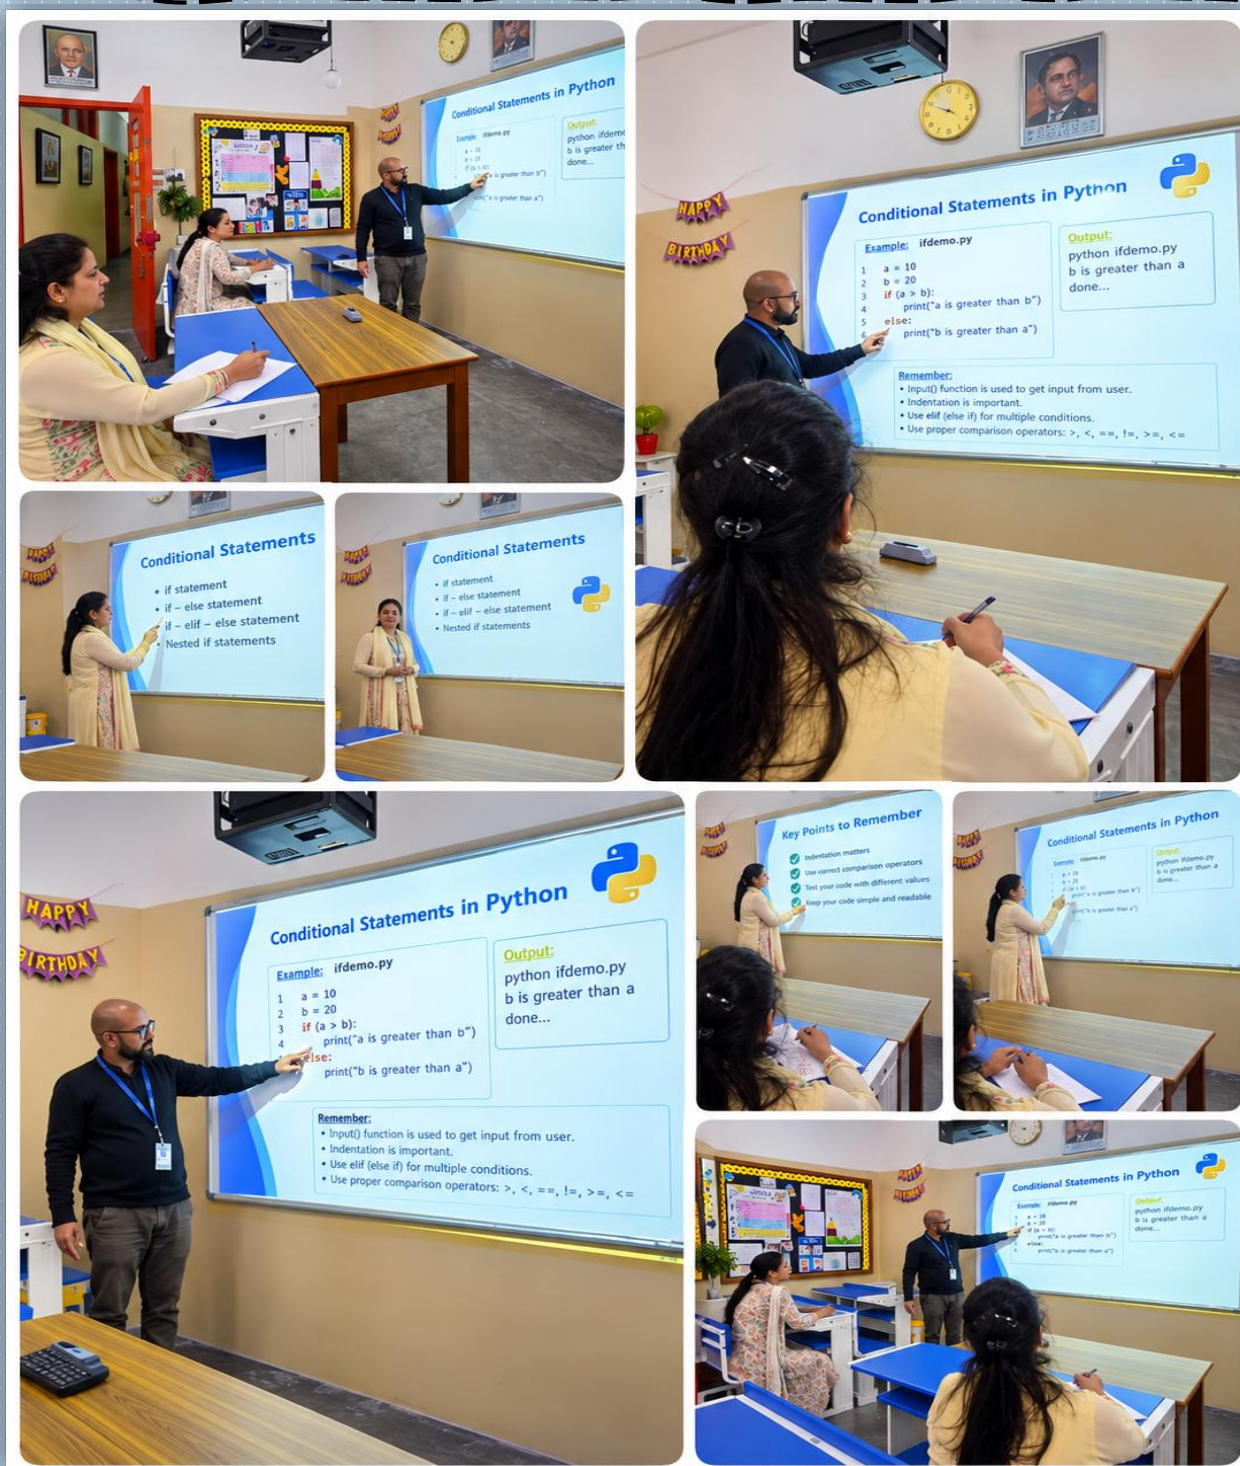

PLC- Mathematics Department

The **Mathematics Department** conducted a **Professional Learning Community (PLC)** session for LKG on the topic “**Count and Write the Number.**” The session focused on developing young learners’ basic numeracy skills through **play-based and activity-oriented learning.** Teachers explored engaging ways to help children identify, count, and write numbers using **colorful objects, manipulatives, counting activities, and hands-on exercises.** The session emphasized making early mathematics learning enjoyable, interactive, and meaningful while strengthening students’ **number recognition, counting ability, hand-eye coordination, and confidence in writing numbers.** Teachers also shared practical classroom strategies and activity ideas to make learning more effective and child-friendly.

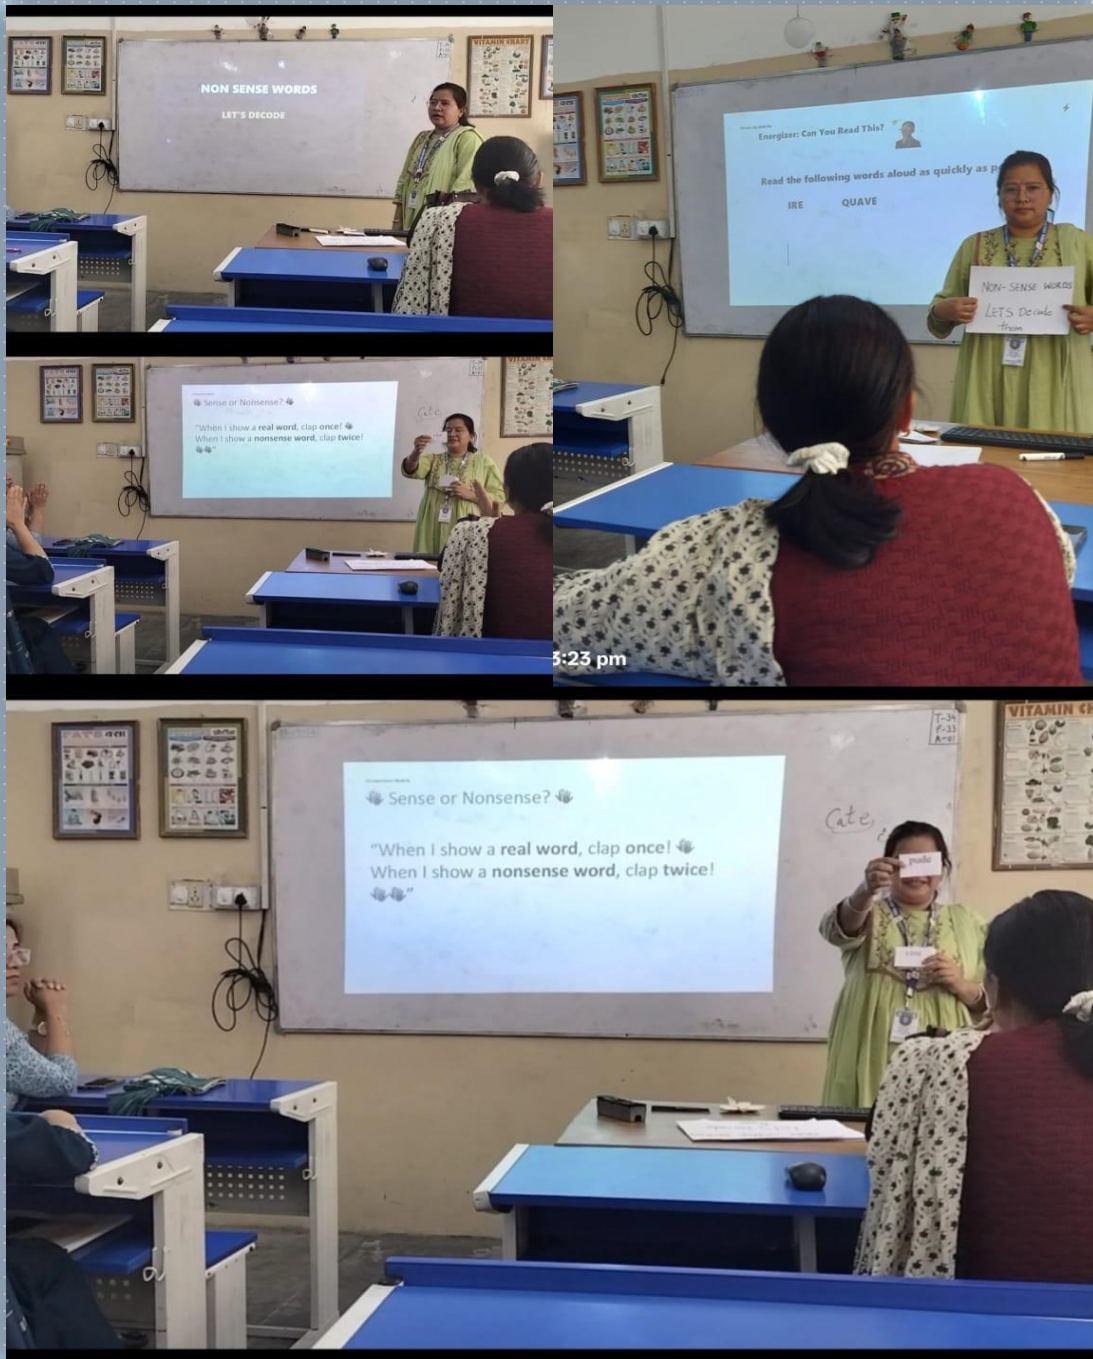

PLC- Computer Science Department

The Computer Science Department conducted an engaging Professional Learning Community (PLC) session for Classes VIII-XII on “Python Conditional Statements.” The session focused on understanding **if**, **if-else**, and **if-elif-else** statements, along with comparison and logical operators, nested conditions, and proper indentation. Through practical examples such as **checking grades, comparing numbers, and determining pass/fail status**, participants explored how Python makes decisions based on given conditions. The session included interactive discussion and hands-on practice, strengthening participants’ conceptual and practical understanding of **Python decision-making and program flow**.

PLC- English Department

The English Department conducted a Professional Learning Community (PLC) session for UKG on the topic “Nonsense Words.” The session focused on developing students’ **phonics, pronunciation, decoding, and early reading skills** through engaging and activity-based learning. Teachers explored effective strategies to help children read and pronounce unfamiliar or made-up words by applying their knowledge of **letter sounds and sound blending**. The session emphasized the use of **fun, interactive activities, flashcards, and phonics-based exercises** to make learning enjoyable and meaningful. Teachers also shared classroom practices and innovative activity ideas to strengthen students’ **confidence, vocabulary, listening skills, and foundational literacy skills**.

PLC- Social Science Department

Topic: Sense Organs | Class: I

The S.St Department conducted a PLC session for Class I on the topic "Sense Organs." The session focused on helping students understand the five sense organs—eyes, ears, nose, tongue, and skin and their functions. Through joyful and hands-on activities, students explored how we see, hear, smell, taste, and feel the world around us. The interactive activities made learning engaging, meaningful, and enjoyable for the young learners. The session also encouraged experiential learning, curiosity, and active participation through creative demonstrations and real-life examples. It provided an excellent opportunity for teachers to share innovative teaching strategies and enhance classroom learning experiences.

PLC – हिंदी विभाग

विषय: शरारती अक्षर 'र' | कक्षा: UKG

हिंदी विभाग द्वारा UKG कक्षा के लिए “शरारती अक्षर ‘र’” विषय पर एक रोचक एवं गतिविधि-आधारित PLC सत्र आयोजित किया गया। इस सत्र का उद्देश्य बच्चों को ‘र’ अक्षर की पहचान, सही उच्चारण एवं लेखन से परिचित कराना था। विभिन्न मनोरंजक गतिविधियों, अक्षर कार्डों और उदाहरणों के माध्यम से बच्चों ने ‘र’ से बनने वाले शब्दों को पहचानना और बोलना सीखा। गतिविधियों ने बच्चों में ध्यान, शब्द-पहचान, उच्चारण एवं भाषा कौशल को विकसित करने में सहायता की। सत्र को आनंदमय एवं सहभागितापूर्ण बनाते हुए बच्चों के लिए सीखने की प्रक्रिया को सरल, रोचक और प्रभावी बनाया गया।

सत्र के दौरान शिक्षकों ने रचनात्मक एवं खेल-आधारित गतिविधियों के माध्यम से बच्चों को सीखने के लिए प्रेरित किया। इस गतिविधि ने बच्चों में भाषा के प्रति रुचि, आत्मविश्वास और सक्रिय सहभागिता को बढ़ावा दिया।

🏆 Best Class Soft Board – September 🏆

We are delighted to announce the **Best Class Soft Boards for the month of September**, recognizing the students' creativity, presentation, and enthusiastic efforts in making their classroom displays attractive and meaningful.

★ Classes I–V:

📌 Class I & Class II

★ Classes VI–XII:

📌 Class VIII & Class IX

👏 **Heartiest congratulations to all the students and teachers!** Your creativity, teamwork, and dedication have truly made the classroom displays stand out. Keep inspiring, creating, and making your classrooms vibrant! ✨

★ A wonderful reflection of creativity, learning, and teamwork.

🎨 The colourful displays beautifully showcase the imagination and artistic talents of our young learners.

📌 The collaborative efforts of students and teachers have made these classroom spaces truly inspiring.

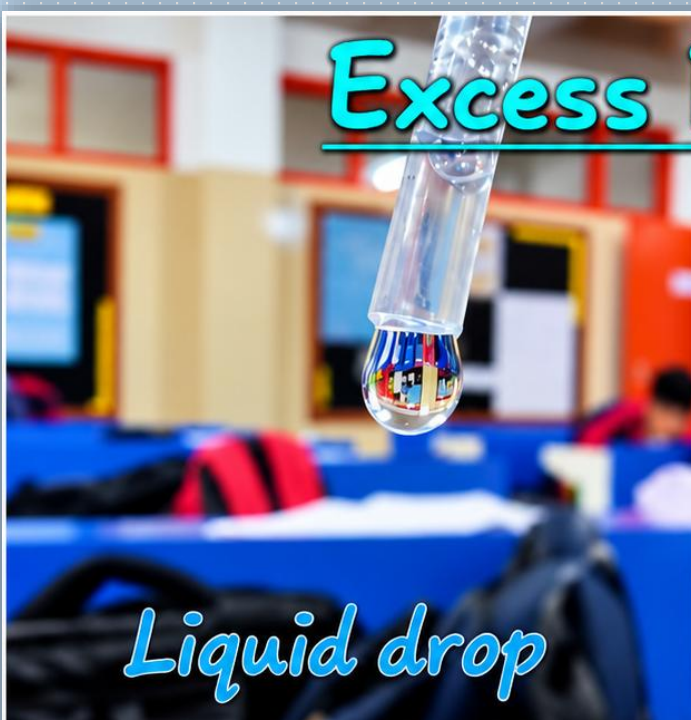

🌟 May this spirit of creativity, enthusiasm, and excellence continue to flourish in every classroom!

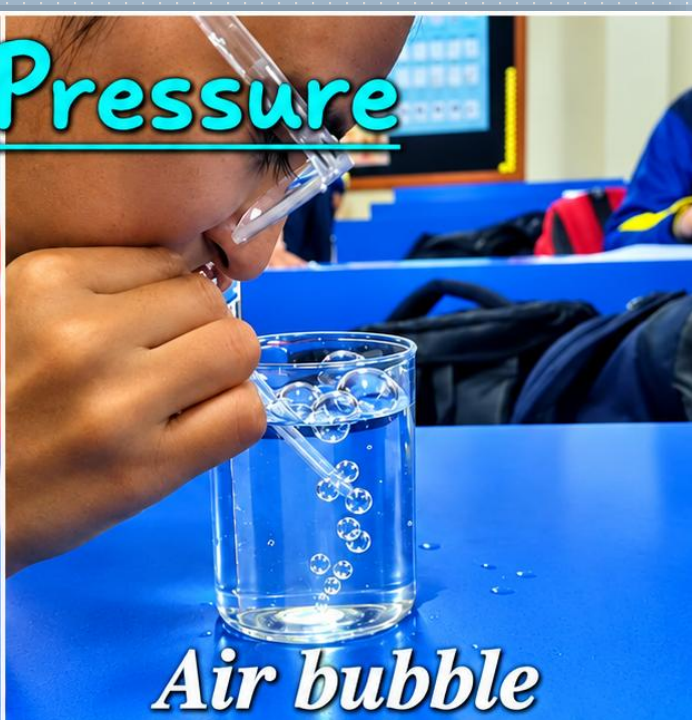

Physics Activity – Excess Pressure in Liquids

A Physics activity on “Excess Pressure Inside a Liquid Drop, Air Bubble and Liquid Bubble” was conducted to help students understand the concept of **surface tension** and **pressure difference across curved surfaces**. Through practical demonstrations and observations, students explored how excess pressure develops inside a liquid drop, an air bubble, and a liquid bubble. The activity helped students understand the relationship between **surface tension**, **radius of curvature**, and **excess pressure** in an interesting and experimental way. It provided students with a clear connection between **theoretical concepts** and **their practical applications**, making the learning experience engaging, interactive, and meaningful.

JVM Sholtu Salutes Your Achievement!

Jindal Vidya Mandir, Sholtu Embraces Smart Learning

Jindal Vidya Mandir, Sholtu has taken another progressive step towards strengthening **technology-enabled education** with the installation of **five new 75-inch Smart Boards** in the school. This initiative aims to create a more interactive, engaging, and student-friendly learning environment.

The **75-inch Smart Boards** provide a large and clear display, enabling students to view educational content comfortably from different parts of the classroom. Teachers can integrate **digital content, presentations, videos, animations, diagrams, and other multimedia resources** into their lessons, making complex concepts easier to understand and encouraging active student participation.

The Smart Boards will support **innovative teaching methodologies, visual learning, collaborative activities, and experiential learning**, making classroom lessons more dynamic and engaging.

This initiative reflects the school's commitment to providing students with **modern educational facilities and 21st-century learning experiences**.

It is an important step towards developing **smart, technology-driven classrooms** and preparing students for an increasingly digital world.

Jindal Vidya Mandir, Sholtu continues to move forward with the vision of combining quality education with technology and innovation.

Glory on the Field: Under-14 Sports Achievements

JVM students (Boys Under-14 at Sr Sec. School Urni) participated enthusiastically in various games and brought laurels to the school. The young athletes competed in football, volleyball, basketball and handball, showcasing their skills, teamwork and determination. The students played with great enthusiasm and sportsmanship throughout the competitions. Their dedication and disciplined performance made the school proud. Each game provided them with an opportunity to demonstrate their talent, confidence and team spirit. The achievements of our young sportspersons are a reflection of the hard work of the students, the guidance of their teachers and the continuous support of the school. Their performance has inspired other students to take an active interest in sports and maintain a healthy and competitive spirit. The school congratulates all the participating students and their coaches for their commendable efforts. Their success has added another proud chapter to the sporting achievements.

Congratulations!

to all our young athletes on their outstanding achievement
and **State-level selection.**

PLC- Science Department

Science Department - PLC Activity: Sedimentation and Decantation

The Science Department conducted a Professional Learning Community (PLC) activity on “Sedimentation and Decantation.” The activity focused on helping students understand these simple methods of separating insoluble solid particles from liquids through practical demonstration and observation. It encouraged **hands-on learning, scientific thinking, and active participation**, making the concept more engaging and easy to understand.

❀ A Warm Farewell to Ms. Akanksha Kainthla ❀

Ms. Akanksha Kainthla, PGT (Commerce), served at Jindal Vidya Mandir, Sholtu for six months. During her tenure, she earned appreciation for her **dedicated approach, pleasant personality, and warm and courteous behaviour** towards students and colleagues.

Due to certain unavoidable circumstances, she could not continue her duties until the completion of her tenure. To acknowledge her valuable contribution and bid her a **warm and memorable farewell**, a small farewell gathering was organised at the school on **30 September**.

The JVM Sholtu family wishes her success, happiness, and bright opportunities in all her future endeavours. 🌿
