## TRAINING REPORT 2023-24

Jindal Vidya Mandir has organized a two days Teachers Training Programme conducted by the faculties of St. Francis Institute of Management and Research on 8<sup>th</sup> November 2023 and 9<sup>th</sup> November 2023.

On 8<sup>th</sup> November there were two sessions as follows:

Session 1 conducted by Dr. Natika Poddar on **Handholding through Mentoring**

The session explained the idea behind the concept of mentoring. The clear picture of the role of a teacher and mentor was explained. Teachers got the idea of conducting effective mentoring sessions, which will help them identify the skills of the students and also where a counselor will be required by the student.

Session 2 conducted by Dr. Ramesh G on **Competency Based Education**

The session was conducted by Dr. Ramesh G, Deputy Director of SFIMR. The concept of introduction of CBE in CBSE curriculum was explained. Also the weightage of CBE based questions in the classes of 9 to 12 was explained. The session was very interactive with involvement of activities followed by a quiz which gave a better understanding of the terms and activities considered under CBE.

On 9<sup>th</sup> November 2023, three sessions were conducted as follows

### Session 1 conducted by Dr Smita J on **Art Integrated Learning**

The training explained the importance of Art Integration in the field of education. It explained the activities and examples where Art can be used as a tool of teaching and as a tool of assessment. Session was very useful and interactive. Teachers also shared their experience regarding their teaching using art integration and also how they can implement more activities using the same.

### Session 2 conducted by Dr Shalini Sinha on **Experiential Learning Pedagogy**

The session included set of activities which made the teachers understand their difficulties in conducting classes and also the measures which will help them overcome their difficulties.

### Session 3 conducted by Rosie Murray on **Picture Talk through Story Telling**

The session explained the process of teaching through picture talk. Many examples were shared of different subjects which made the concept clearer and easier to implement.

The training was very good and will definitely help teachers to make their classes livelier through mentoring, experiential learning and also will help teachers to plan their lessons using storytelling, art integration activities so that the students are prepared for Competency Based Education.
